

SHARE ROTARY INFORMATION

Each Rotarian has been placed on a Share Rotary team (10 Teams). Teams are challenged to earn points over the next six weeks. The team at the end of the event with the most points will receive prizes from area downtown businesses and be recognized in June during a Rotary meeting.

How can your team earn points:

- 1) Invite guest (potential members) to Rotary so they can see and learn what we are about. (2 points/per guest)
- 2) Host one team social event and invite guest (potential members). (4 points/per event) Must have 60% attendance. Bonus points - 2 points for each guest that attends.
- 3) Share your "Rotary Moment" at one of the upcoming May meetings. (4 points)
- 4) Volunteer work day as a team to help out a local organization. (6 points)
- 5) New Rotary member - (8 points) Must not be in the membership process now.
- 6) Bonus Points - each Rotarian to attend the Annual Spring Social on June 3 will receive 5 bonus points for their team.

It is each teams responsibility to record and report points to a designated team captain chosen by the team, who in turn will report to myself and Lyn.

I hope you will all take advantage of this team building opportunity and use it to Share Rotary, Get Engaged and have some fun!

Jeff Odom
