

10th annual HEALTH SUMMIT

NURTURING DEEPER ROOTS

Join us as we take a deeper look at the five leading causes of life

Gary Gunderson, Vice President for FaithHealth at Wake Forest Baptist Medical Center and co-author of *Leading Causes of Life*, will show us how to advance the life of our region by incorporating these principles into our work, promoting health for all. Michael Brandt, MS Ed., Ph.D. Clinical Psychologist- Tomah Veterans Affairs, will close the summit as he ties together resilience and positive health psychology.

KEYNOTE: Gary Gunderson

CLOSING SPEAKER: MICHAEL BRANDT
