

Dear La Crosse Rotary Club,

I would like to thank you for the incredibly kind allowance given to me for my up coming trip to Argentina. It was very kind, & I appreciate it very much. Having Lucia stay with my family in December + January was an amazing experience, and I can't wait to see my Argentinian 'sister' again. I know I will have an enriching time in South America because of the care and dedication this Rotary Club shows.

Thanks again.
