Alliance details

Positive impact:

Toastmasters International and Rotary International have formed an alliance to leverage their strengths, enabling members from both to enhance their skills, broaden their networks, and increase the positive impact they have in their communities.

Grassroots efforts:

The ongoing relationship between the two organizations began at the grassroots level with local club members learning and working together.

Educational component:

Toastmasters is creating a set of eight structured communication and leadership development courses for Rotary. A phased rollout will be available in English in 2020, and in more languages in 2021.
