

Fellowships

Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends, explore a hobby or profession, and enhance your Rotary experience.

How do I join a fellowship?

Membership in a fellowship is open to any interested individual. You're encouraged to choose 2-4 to expose you to a variety of people, without overwhelming yourself.

Most groups meet for 2-4 social and networking events annually, outside our weekly Club meeting. Of course, you're welcome to attend activities outside your selected Fellowships. We share events through newsletters, social media, email and at the mic during weekly Club meetings.
