

ROTARY WORKS FOUNDATION

Your donations doing good in the Community and World

January

Rotary East – **Vision Exams for Nicaraguan** Immigrants in Costa Rica. Funds will be used to purchase sunglasses for dilated eye exams, eye drops, and other medications. The project will screen 100-150 children and their parents per day for a total of 400-600 patients. Rotary Works Foundation approved \$2,000.00

La Crescent Rotary – **Born Learning Trail** – Designed for young children, Born Learning Trails use everyday moments to boost school readiness, and interactive stations/games. This project will contain a Born Learning Trail Kit which contains ten signs with instructions for simple games that promote a learning experience. Rotary Works Foundation approved \$1,500.00

February

Grow La Crosse - Jamie O'Neill – **An Edible schoolyard project** – creates a hands-on learning environment incorporating native edible plants. Students will use this space to learn about growing, harvesting, preparing, and sharing food and its systems. Rotary Works Foundation approved \$1,000.00
