PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 30 No. 39

April 16, 2021

The Main Event

Silent Auction - To support the club and businesses here on Cape Cod, each club member is invited to look for donations of gift certificates and items to be entered into the auction, which will be held online from April 30-May 14. Members can either mail them to Yarmouth Rotary Club, PO Box 448, South Yarmouth 02664 or drop off in-person at the Yarmouth Chamber of Commerce. **ALL FUNDS RAISED WILL GO TO SUPPORT THE YARMOUTH ROTARY SCHOLARSHIP FUND. WE NEED YOU** —To help make this auction a huge success.

Moment of Silence – Kevin Lennon led the club in a moment of silence to mark the 3-year anniversary of Sgt. Sean Gannon’s untimely passing. He asked us all to keep the Gannon family in our thoughts and prayers.

Guest Speaker Jon Naugle – Jon spoke to us today about WASHRAG, (Water, Sanitation and Hygiene Rotary Action Group) and providing improved infrastructure in Schools. WASHRAG provides human, technical and financial support to Rotary clubs and districts that are seeking to help communities to gain sustainable access to water, sanitation and hygiene. Adequate water, sanitation and handwashing facilities in schools along with hygiene education is important. Facilities should cater to the needs of the entire student body, including those of different abilities. Girl’s need practical skills to manage menstruation, clean facilities with privacy and water and access to absorbent materials. Why WASH in schools? It can improve children’s health, can promote inclusivity and gender equity, among other positive reasons. WASH in schools is vitally important to ensure attendance and proper hygiene. Below are criteria for WASH in schools, with the goal to achieve the basic service for all schools globally. We are applying this 3-star rating approach to our own WASH grant in India, where the goal is to have basic service in drinking water, sanitation, and hygiene. It is estimated that less than 50% of the schools in sub-Saharan Africa had adequate access to drinking water. More than 63% of the schools in sub-Saharan Africa did not have access to proper sanitation at the basic service level, and 57% of the schools had basic hygiene needs met.

JMP service ladders for WASH in schools

DRINKING WATER	SANITATION	HYGIENE
Basic service: Drinking water from an <u>improved</u> source and water is <u>available</u> at the school at the time of the survey	Basic service: <u>Improved</u> sanitation facilities at the school that are <u>single-sex</u> and <u>usable</u> (available, functional and private) at the time of the survey	Basic service: Handwashing facilities with <u>water</u> and <u>soap</u> available at the school at the time of the survey
Limited service: Drinking water from an improved source but water is unavailable at the school at the time of the survey	Limited service: Improved sanitation facilities at the school that are either not single-sex or not usable at the time of the survey	Limited service: Handwashing facilities with water but no soap available at the school at the time of the survey
No service: Drinking water from an unimproved source or no water source at the school	No service: Unimproved sanitation facilities or no sanitation facilities at the school	No service: No handwashing facilities available or no water available at the school

MEET

at the Yarmouth Senior Ctr.

528 Forest Rd., South Yarmouth, MA

9:30 AM

Con't from Pg 1 Jon Naugle

Sustainability is vital to the program, and the goal is to improve the curriculum. The focus is on creating curriculum to be shared in schools with age specific teaching materials. By providing posters and educational materials, it ensures children have reminders on best practices.

WASH is also trying to determine the long-term impact of programs, as often volunteers do not return. Monitoring by UNICEF and WHO are tasked with helping ensure quality of access.

FRONT DESK

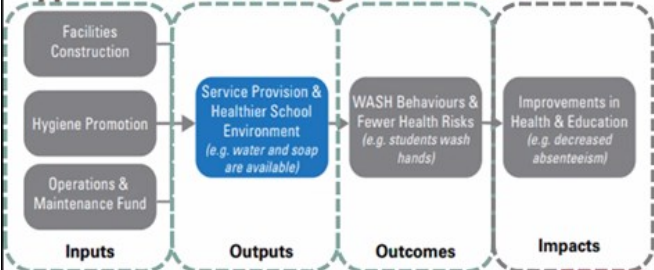

ON HOLD UNTIL WE

MEET AGAIN

IN PERSON

PLEASE be available at 6:30 AM on your scheduled Friday. If you cannot attend, please swap with another

Types of Monitoring Indicators

- Person-hours used for installing WinS facilities
- Number of hygiene trainings carried out with teachers and parent groups
- Number of school children drinking safe water while at school
- Student school days missed due to gastrointestinal illness

Youth Service

Carol Woodbury

Vaccination SCAM – Jim McLaughlin let the club know he received a fraudulent call about changing his vaccination date several months in advance. The caller asked him to verify his address and Jim promptly ended the call. Just be vigilant and if it doesn't sound right, don't give your information.

Annual Cleanup Day – The cleanup day will be on Saturday, April 17 with locations of where to drop the trash. Please register on www.yarmouthcapecod.com.

Crutches For Africa – Mike Riley thanks the volunteers who helped to take inventory, and noted that we have collected over 400 items thus far. On April 21st, the first shipment will be picked up and we will need some volunteers!

DY School Update – Carol Woodbury let us know that 83% of students from K-7 are attending school in person. The cases have been relatively low, but we the district has done a great job and currently, approximately 93% of those students are attending each day. The high school will be going back full-time beginning in early May. The best place for kids is in school.

Town Administrator – He has begun his post and is making the rounds with the various town department heads.

Yarmouth Police Department – Kevin Lennon let us know that he is actively working on body cameras for officers. He also mentioned that they have a new hybrid cruiser that should have cost savings in fuel.

Committee Sign-up Sheets – Steve Albright asked everybody who has not sent in their committee sign-up sheets to please do it soon. It takes a lot of time to put the committees together and then lay out the Club's Roster Book. Our club is only as good as it is by the amount of work that the various committees do and the members that are on those committees.

\$\$\$\$ Happy Bucks \$\$\$\$

Bob Wells - \$100 – 90 for his 90th birthday and \$10 for guest speaker

Lou Preziosi - \$10 for Interact Club and doing work behind the scenes

Curley Carey - \$20 for Kelley's birthday

Steve Albright - \$10 – Speaker & committee sheets

Start by doing what's necessary; then do what's possible; and
suddenly you are doing the impossible.

Francis of Assisi

THESE ITEMS ARE ALWAYS NEEDED AT THE YARMOUTH FOOD PANTRY

Canned Pasta	Syrup
Mac & Cheese	Tuna Fish
Peanut Butter	Soup
Jelly	Instant Potatoes
Cereal	Nutri-Grain Bars

Drop your donations off at the Pantry Mon—Fri. 10am to 12 noon.
Mail check donations to Yarmouth Food Pantry, PO Box 982
West Yarmouth, MA 02673

Virtual Town Cleanup Day Saturday, April 17 – Visit www.yarmouthcapecod.com to register. There are areas that you can sign up for. This is in coordination with the Dennis Chamber of Commerce, You will be asked to use your own trash bags and there will be 3 drop off areas in town. Yarmouth Chamber Office, Town Hall, and Yarmouthport Fire Station. Rain or shine at your convenience. You can add locations if it is not listed.

Online Auction – Thank you all for your donations to date. We have about 40 items. We are going to bundle these items so could use more. Once the platform is up and running, please share and publicize it. Please keep up the donations, which can be dropped off at the Yarmouth Chamber office. Rotarians are not required to bid, but certainly encouraged to do so if interested. This is a fundraising opportunity for the scholarships for our schools. The platform is Bidding for Good, and the site will be built out and link shared soon.

International Grant – Jackie Carnevali walked us through exactly how our WASH International grant would be used and improve the schools in India. We will be improving the kitchen, schools, and 2nd floor library. Schools are still not in session due to COVID-19. Food scarcity was a major issue during the pandemic, more so than the exposure to the virus.

LEFT: The cook preparing a meal for the children. This building will be demolished and a new kitchen built.

BELOW: Jackie and Radhika serving meals to the children.

RIGHT: Buildings in the city that have been taken over by residents and made into their housing.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
