PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 30 No. 40

April 23, 2021

The Main Event

Silent Auction - To support the club and businesses here on Cape Cod, each club member is invited to look for donations of gift certificates and items to be entered into the auction, which will be held online from April 30-May 14. Members can either mail them to Yarmouth Rotary Club, PO Box 448, South Yarmouth 02664 or drop off in-person at the Yarmouth Chamber of Commerce. **ALL FUNDS RAISED WILL GO TO SUPPORT THE YARMOUTH ROTARY SCHOLARSHIP FUND. WE NEED YOU** —To help make this auction a huge success.

Guest Speaker Mike Riley, Executive Director, Cape & Islands Boy Scouts of America – Mike spoke regarding the scouting programs, that are universal and timeless. The first point of the 4 Way Test is “Is it the truth?” And the first point of the Scout Law is “A Scout is truthful.” The program content should reinforce the Scout Oath and Law. Boy Scouts now allow girls into the program but separated, not co-ed by level/advancement. Cub Scouts are from kindergarten through fifth grade. Scouts BSA (formerly Boy Scouts) is coed, however, have separate Troops. Seascouting and Venturing have been coed for many years. The entire program is devoted to character development, however, scouts join to have fun. There are many games, activities, and opportunities to learn through practical methods. There are 137 merit badges in Scouts BSA, and 21 merit badges that relate to the notion of “physically strong”. There are many achievements to be earned throughout the program. Honesty and openness, and defending others, is vitally important. About the core tenants of the Scouting programs, Mike stated, “These principles are solid, and worth striving for. We begin every Scout meeting by reciting the Scout Oath and Law. At the national level, we have created a Diversity, Equity, and Inclusions merit badge that will be required to earn Eagle Scout.” Scouts BSA is Scout led and adult guided, versus Cub Scout which is adult led. All programs focus on respect for others and self.

How do we keep kids safe? Youth Protection is vitally important to all of the Scouting programs. There is a Youth Protection training program and all Rotary clubs are being required to follow the same guidelines for the youth programs. There are both state and federal background check for adults. The training course must be taken before any volunteers work with children. Two deep leadership, meaning there are 2 adults over the age of 21 present at any Scouting event. There is also no one on one contact, other than parents and their children. Everyone is a mandated reporter, with the goal of keeping kids safe. This has been a focus for over 40 years.

Yarmouth Cleanup Day – Bud Nugent reminded us of the Town of Yarmouth Cleanup Day on April 17. Signups are available on the Yarmouth Chamber website. There are 60 people preregistered, rain or shine. Once you register, you will get a confirmation with details on the trash collected and document the amount of trash collected. It is in full collaboration with the Yarmouth and Dennis Chambers of Commerce, Towns of Yarmouth and Dennis, and the Friends of Bass River.

“Friendship was the foundation rock on which Rotary was built and tolerance is the element which holds it together”

Updated Bylaws – VP Roby Whitehouse emailed the updated bylaws on 4/15. They have been presented to the Board of Directors twice, including the changes and the summary of the changes. This past week at the BOD meeting, they voted to accept the updated bylaws, shared with the whole membership, with request for any comments from the membership. There will be a formal vote in at least 30 days from the club membership, and the comment period is open until that point. There will be an open meeting for the membership to comment on May 21. There was discussion about the position of Vice President and possibly change it to President Designee, similar to the succession at the

Committee Signup Sheets – President Elect John Gilligan reminded all club members to fill out and submit the signup sheets for Committee selections for the coming Rotary year. It takes a while to put the book together, and we need them asap.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
