# IMAGINE ROTARY

**GOVERNOR, DISTRICT 7950**

David Sampson, DG.

**THE ROTARY CLUB OF YARMOUTH, MASSACHUSETTS**

SERVING OUR COMMUNITY AND THE WORLD FOR 30 YEARS

BOX 448, SOUTH YARMOUTH MA 02664

MEETINGS: FRIDAY, 7:00 AM, HEARTH 'N KETTLE, SO. YARMOUTH

# T-G-I-F-I-Y

PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 33 No. 38

April 7, 2023

## The Main Event

### Guest Speaker Bob Whritenour, Town of Yarmouth Town Administrator

The Massachusetts DEP has proposed regulations that will require that if the town is not successful in addressing collectively, it will force everyone to install a costly Innovative/Alternative systems, that are in excess of \$50,000 for installation with \$2,500/year for maintenance. Bob stated, “The every man for himself approach is not a viable solution.” The appropriation for Phase I is \$207.2 million to construction a sewer treatment facility and install pipe starting on the west side of the town.

“The key to the financing structure for a project this large, it takes the Town’s complete and collective effort versus one single funding source. While we are moving forward with the design and logistics, we are trying to develop an integrated financial plan to thoughtfully put together a program to use our collective efforts to limit the financial impact on any one homeowner/property/business.”

The Town has identified various funding sources for the project outside of the property tax levy to mitigate the financial impact on residents. There are 10 funding sources that are being put together to impact residences least.

(SEE FUNDING ALLOCATION CHART ON NEXT PAGE)

Over 42% of the project is being funded through revenue received through tourism to the area. District Improvement Financing captures the benefits of economic growth from the new investments, and dedicates the revenue to the projects that support growth.

Betterment program which is an assessment for the improvement of the property. It is common for communities to pay 50% betterment. Because of the funding proposed by the funding sources, 15% would be the betterment for single family residential homes. Single family homes, up to 3 bedrooms would be \$500 annually. The percentages for the various property use is calculated based off of usage of a single family home. This allows them to evenly apply usage across categories that exist in the businesses, offices, supermarkets, condominiums, nursing homes, and more.

Financing would be 30 years at 0%-2% financing would be \$500/year for single family.

“It costs more to maintain the alternative septic systems than paying the betterment. I personally feel that if we don’t move forward now, the town would be in peril. No action is not a wise option.”

**Town Meeting is at 6PM on April 25 at Mattacheese Middle School Auditorium.**

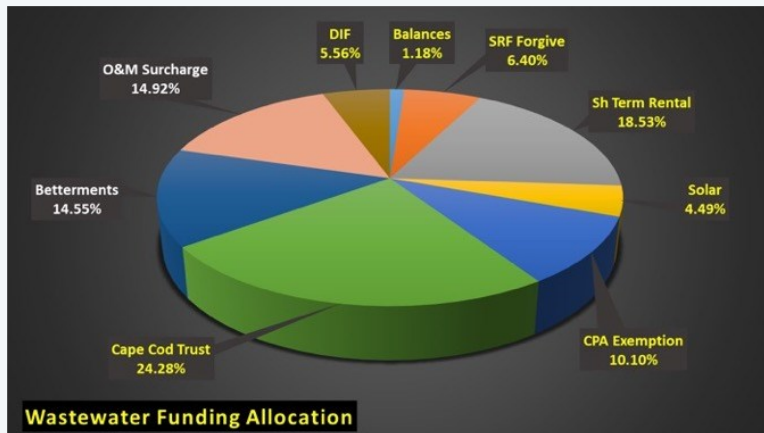

### Stuff a Cruiser Food Drive

Thank you to all who volunteered to collect food for the Stuff—A—Cruiser event. It was a cold and wet day for sure. Thank you to the YPD for their help. It might not have been the largest one we have had but we did a great job collecting the food and cash for the pantry.

## How will this project be funded?

Multiple opportunities will make up the funding sources, including Cape & Islands Water Protection Trust, District Improvement Financing (Article 19), user capital fees, low or zero interest (0%) financing, state and federal grants and betterment charges.

A YES VOTE on Article 18 WILL **NOT** RESULT IN A TAX LEVY INCREASE to finance this project!

## Multiple Funding Sources

- The Town has identified various funding sources for the project outside of the property tax levy to mitigate the financial impact on residents
- Cape & islands water protection trust
  - Regional trust funded by 2.75% tax on short-term rentals
- Water infrastructure & investment fund
- Local short-term rental receipts
- District improvement financing program
- User generated revenues
  - Betterments
  - Capital charge on operating rates
- The town will also be pursuing state and federal grants for the project

April is "JAM" -Jazz Appreciation Month. *Jazz is a music genre born in American and enjoyed world-wide.* Whether you like Swing, Be-Bop, Fusion, Straight Ahead or Smooth Contemporary Jazz, let's celebrate the art form that brings people together. Artie Shaw, Benny Goodman, Duke Ellington, Count Basie, Ella, Sarah, Diana, Billie, Miles, John Coltrane, Louis Armstrong, Dave Brubeck, Kenny Gee, Gil Evans and thousands of other performers have brought this music to life. There is some form of jazz either in your collection or recollection of this American music. Below is a link from National Museum of American History highlighting the month and identifying many opportunities to listen and see performances.

## Jazz Appreciation Month

### Jazz Appreciation Month

Jazz Appreciation Month (fondly known as "JAM") was created right here at the museum in 2001 to recognize and celebrate the extraordinary heritage and history of jazz for the entire month of April.

JAM is intended to stimulate and encourage people of all ages to participate in jazz - to study the music, attend concerts, listen to jazz on radio and recordings, read books about jazz, and more.

<https://americanhistory.si.edu/smithsonian-jazz/jazz-appreciation-month>

Jazz on the Radio and Online for Connecticut and Massachusetts

<https://hartfordjazzsociety.com/jazz-on-the-radio/>

Jazz Radio Across the Internet:

<https://www.internet-radio.com/stations/jazz/>

**Jazz24** is an internet jazz radio station broadcasting from Seattle, WA. Listen to jazz greats like Miles Davis, Wynton Marsalis, Diana Krall and more 24/7!

A favorite which is Public Radio station that broadcast from Seattle, Washington

<https://www.jazz24.org>

[Free Jazz Radio | Listen Worldwide 24/7](#)

Committee Members: Rufus Jones (Chair), Bruce Gordon, Curley Carey, Dr. Bruce Gordon, Joe Potzka, Jackie Carnevali, Pat Armstrong, Phil Morris, Chantal Rice, Paul Chatelain

## 2023 HELPING HANDS SCHEDULE

### APRIL

Saturday April 8 – YPD 9/11 Memorial Spring Clean Up

Saturday April 22 – Yarmouth Annual Clean Up Day

### JUNE

Saturday June 3 – Baker Square and Town Hall Garden Planting

Saturday June 17 Baker Square & Town Hall Mulching

### SEPTEMBER

Saturday September 9 – YPD 9/11 Memorial Fall Cleanup

### DECEMBER

Saturday December 16 – Wreaths Across America

## What is a Pollinator Garden?

A pollinator garden is designed to contain plants to provide food and shelter to animals (bees, birds, butterflies, moths, wasps, bats, and small mammals) that pollinate plants that support the local ecosystem and food web. Pollinator gardens are often made up of native plants, but non-native plants pollinator gardens can still support local wildlife.

## Why Pollinator Gardens Matter?

Pollinators—i.e., animals that move pollen from one flower to another—are in decline. Pollinator decline is attributed primarily to the loss of habitat and to the use of pesticides. Urbanization is occurring at an alarming rate; our green space is disappearing. Green space is often converted to land for crops, monoculture lawns, or planted with non-native plants that do not support or host local insects that carry out pollination.

With the rapid decline of bees, the widespread availability and use of pesticides, and the economics of past horticulture practices that prioritized a plant's desirability over its function, we are in a pollinator crisis. This is where pollinator gardens, and you, can help by planting a pollinator garden.

## Do Pollinator Gardens Take a Lot of Work to Start?

A beautiful thing about pollinator gardens is that you can do as much or as little work on them as you want after doing a little prep work. The garden can be as small as a window box or as large as a meadow that takes up your entire yard. Just place it in a nice sunny spot and provide the right conditions, and you will make our pollinator friends happy.

## Cost

Pollinator gardening is some of the most economical gardening you can do. You can start your garden with seeds that you have saved or purchased from a reputable seller like [Ferry-Morse](#). Starting with seed takes a bit more prep work as you have to remove the plants and vegetation currently in the space.

Or, you can use transplants. When using transplants, there are two types of plants to use. Full plants that have some size to them or plugs. Plugs are cheaper, young plants that come in small two-inch tubes that you can buy in large quantities. If you are planting a larger area, using plugs or seeds is the way to go.

It would help if you also looked around online for offers from organizations that support pollinator gardens. Many offer resources in the way of discounts or free seeds or plants to support the creation of pollinator gardens.

## What Plants to Include in a Pollinator Garden

Start with native wildflowers that support local pollinators. [Milk weeds](#), [coneflowers](#), [Monarda](#), [solidago](#), [beardtongue](#), [yarrow](#), [coreopsis](#), and [witch hazel](#) for the winter months are all great plants for pollinators. Adding some native grasses is a good idea as well to give support and structure to your flowers. Do some research, and you will find the choices are extremely varied, depending on your [USDA hardiness zone](#). The main goal is to have blooms that provide a food source for as long as possible to the maximum number of pollinators. Try to choose plants that bloom year-round to keep your pollinator visitors happy and your garden looking beautiful.

## Sustaining a Pollinator Garden

Pollinator gardens that contain mostly native [wildflowers](#) that grow in a variety of conditions are usually easy to maintain. Trees and shrubs are often included as well. Choose plants that are adaptable when it comes to soil and drought.

Once the garden is planted and established, besides occasional weeding, it requires almost no supplemental care and very little extra work. Think what flowers and vegetation you would see in a meadow in a field and consider—who fertilizes, weeds, and waters the milkweed, coneflowers, and bee balm there?

## Does One Pollinator Garden Matter?

Yes! Creating an interconnected web of pollinator gardens is a goal vital to restoring balance to our ecosystem. This will allow local growers to produce food and commercial growers to continue to produce billions of dollars worth of crops for international consumption. A strong ecosystem allows plants and trees to improve air quality and helps stem off the effects of climate change.

## Keys to a Good Pollinator Garden

There are a few elements that you need to include to make your garden a success. They are simple, easily done, and affordable but will make your garden into an elite Pollinator Bed and Breakfast:

- Use plants that give a source of food, shelter, and a place to raise young pollinators throughout the year.
- Provide a water source.
- Create large "drifts" of various [native plants](#).
- Place the garden in a sunny location, preferably with some area sheltered from the wind.
- Never use pesticides. You cannot use pesticides in a pollinator garden and still classify it as a pollinator garden.

# Announcements

**COVID & CORKS**—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

## MEALS ON WHEELS

April 11—John Gilligan & Chantal Rice  
 April 18—Dr. Bruce & Sally Bowles  
 April 24 -Pat Armstrong & Bill Lemoine  
 May 2 –Steve & Jill Albright  
 May 9-Ken Knell & Phil Morris  
 May 16—Rafi Chaprut & Tom Deltz  
 May 23—Joe Potzka & Tom Tomasik  
 May 30—Mike Riley & Ken Livingston  
 Substitutes Steve Albright or Frank Mastromauro  
 Meet at the Yarmouth Senior Ctr.  
 528 Forest Rd., South Yarmouth, MA  
 9:30 AM

### April’s Birthdays

#### Happy Birthday!!!!

April 9—Rufus Jones  
 April 14—Bob Wells  
 April 21—Jill Albright

### April’s Anniversaries

#### Happy Anniversary!!!!

No Anniversaries this Month

## FRONT DESK

April 7—Hollie Handrahan & Jill Albright  
 April 14—Bernie Nugent & Rufus Jones  
 April 21—Tom Deltz & George Davis  
 April 28—Paul Chatelain & Bill Lemoine  
 May 5—Jimmy Walker & Bud Nugent  
 May 12—Bob McInnis & Jill Albright

**PLEASE** be available at 6:30 AM on your scheduled Friday. If you cannot attend, please swap with another committee member.

## Calendar

April 7—Mary Wilson—Owner Pitter Patter Puppets  
 April 14—Stephanie Goley, Mindfulness Coach—Calmer Choice  
 April 21—Kerry McCarthy-Miller—The Cape and Islands Maternal Depression Task Force  
 April 28—Robert Eckel, Executive Director—Cape Cod Tech Foundation  
 April 28-29 District Conference—Seacrest resort in Falmouth  
 June 29—Officers Installation—The Loft—Rt 28, West Yarmouth

## GUEST POLICY

Prospective members are the guests of the Club for their first meeting.

## GREETER

April 7—Kevin Lennon  
 April 14—Ken Livingston  
 April 21—Janice Martin  
 April 28—Frank Mastromauro  
 May 5—Bob McInnis

## SCHEDULES

The schedules through the end of the year for Greeter, Front Desk and Meals on Wheels have been updated.

They can be found on the home page on the Yarmouth Rotary Website. All you need to do is click on the link on the left side of the home page.

**Program Committees:** Please notify Steve Albright of your speakers. You are responsible for providing the write up on the speaker for the following week.

April  
 Maternal & Child Health  
 Tomas Tolentino

May  
 Youth Service  
 Pat Armstrong

FOOD of the MONTH for April is

SPAGHETTIO'S

All cans collect will go to assist CAPE COD Brite Lights to provide weekend backpack bags of food for children in grades K-3

Cash or Checks are Welcomed and we will do the Shopping for you.

**SAVE THE DATE**

**Installation of Officers**

**Thursday June 29, 2023**

**5:30—9:00 PM**

**At the LOFT, RT. 28 West Yarmouth**

**\$\$\$\$ Happy Bucks \$\$\$\$**

**John Herr - UCONN!**

**Pam Rideout - Emily here at Rotary and Lacrosse!**

**Frank Mastumauro - Boston University Frozen Four**

**Ken Knell - Helping Hands Cleanups successful/Police 9/11 Memorial next week**

**Pat Armstrong - Bob/Kicked down road for years/Rotary friends for donating to Cape Cod Children's Place**

Our Annual Golf Tournament at Cummaquid Golf Club

Items we will need: Golfers, Sponsors, Raffle Donations (Silent and drop item raffle)

### ROTARY ANNIVERSARIES

April

Tom Ulrich—61 Years

Mike Riley—22 Years

Kevin Lennon—12 Years

Jackie Carnevali—9 Years

Ann Knell—8 Years

Chuck Carey—8 Years

Thank you all for your years of service to Rotary and to our Club!!!!

**GOOD WORKS EMAIL ADDRESS:** The Good Works Committee has a new email address. All correspondences and applications for assistance can be sent to the new email address. In addition applications for assistance can be found on the home page of our website. The new email address is: [rotaryarmouthgoodworks@gmail.com](mailto:rotaryarmouthgoodworks@gmail.com)

### CLERGY SCHEDULE 3/31/23—4/7/23

3/31/23—Steve Albright

4/7/23—Dave Akin Returns

If you have a conflict, please switch with another member of the committee. Please let Rufus & Steve know.

Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible.

*Francis of Assisi*

We Recently Started a New Game  
The Current Jackpot is:  
\$175.00 plus this weeks Pot \$\$\$  
You need to be there and buy a ticket to win!!!

#### CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

**Fourth:** Visit our website and learn more about us. [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com)

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

**Leg Braces**

**Crutches**

**Forearm Crutches**

**Walkers**

**Wheelchairs**

**Prosthetic Limbs**

**Baby Joggers & Strollers**

**Bike Trailers**
