## The Main Event

**Justine Podurgile LMHC**  
**LT Diana Wells YPD**

Yarmouth Police Department Community Crisis Intervention (CCIT) and Mental Health Outreach Team was created in 2015 and it is used to offer officer education and relationship building to compassionately meet the needs of community stakeholders who live with mental illness.

The clinician's role has varying hours as well as has a clinician hotline. They assist families when able with mental health referrals, provide education on treatment options in our area and how to access them. They also attend interdisciplinary meetings, connect individuals to local providers, and collaborate with local community groups to provide basic needs in cases of emergency.

John Cooke introduced his daughter Caroline and Gemma Cruz Ortigosa (pronounced Hemma) to the club. Both girls are short term Youth Exchange students this year.

Gemma is from Torrevieja, Spain located along the Mediterranean Coast of Spain.

The short-term Youth Exchange program is a family-to-family exchange where students are matched with each other. Our student Caroline spends 3 weeks in Spain with Gemma and her family and Gemma spends 3 weeks with Caroline and her family. Gemma came to the USA first and both girls will be heading to Spain on August 8<sup>th</sup> to complete the exchange,

It's a great way for students to get to know and experience other cultures and different parts of the world. In addition, it sometimes is a steppingstone for these students to become interested in doing a long-term exchange in the future.

Caroline presented Gemma with a Yarmouth Rotary banner which she will take back to Spain and present to the Torrevieja Rotary Club.

Caroline and Gemma enjoy a sightseeing tour by air around the Cape, compliments of Jim McLoughlin.

**Cutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project,

Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

**COVID & CORKS**—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled.

Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to

these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Carol Woodbury who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

**The Rotary Foundation:**

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Ask a relative, a friend, a neighbor, a business associate or a co-worker to join us so we all can do more in our community and our world.

## **Crutches For Africa**

### **A Continuous Project by Yarmouth Rotary Club**

**Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.**

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
