PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 32 No. 7

August 13, 2021,

The Main Event

Guest Speakers Yarmouth Police Detective Michael Zontini and Victim Advocate Annie Catalano, Human Trafficking – The Yarmouth police Department has the special victims unit. There are usually 35-55 cases per year. Each case preparation takes approximately 6 weeks. Advocacy for the victims are years, which is where Independence House is so important. The advocacy, and full recovery of a victim, is the most important part of the process. “When we first meet individuals, they are going through potentially the worst part of their lives to that moment. We need to be there for them, explain the process, then be there for them and build rapport,” stated Annie. Children’s Cove is another advocacy source for children in these situations. It can take years to get to an actual trial, so assessing needs along the way is important. “Maintaining contacts with organizations throughout the community is vitally important, so I can refer individuals to the correct resources.”

What is trafficking? *Whoever knowingly subjects, or attempts to subject, another person to force services, or recruits, entices, harbors, transports, provides or obtains by any means, or attempts to recruit, entice, harbor, transport, provide or obtain by any means, another person, intending or knowing that such person will be subjected to forced services.*

The trafficking that happens most frequently on Cape Cod is a quid pro quo type of scenario where they are paid low wages with a guarantee of something in the future, such as moving their family here from their country of origin. Labor trafficking exists here in Yarmouth and throughout the US. Hotels, restaurants, nail salons, massage salons, traveling sales crews, construction and landscaping. Often, people who are being labor trafficked do not know they are being labor trafficked. They are unpaid or paid very little.

Sex Trafficking – There has been a massive tidal change in how popular this is now. Our biggest drug dealers in the country, Massachusetts, and Barnstable, can sell a bag of drugs for \$500 but can sell the services of a young woman 1,500 times for \$500,000 in 2 years. They are in it for the money.

Commercial Sexual Exploitation of Children – Children are the victims. A child’s brain is not completely developed until they are 25 years of age. This group consist of children who have not reached 18 years of age, have access to a cell phone, tablet or laptop, generally not in a 2 or even a 1 parent household, wan more independence, and have the ability to be in the community without adult supervision. They feel judged and like others who don’t get them, they want to fit in, and want to be “in love”.

COVID-19 Heightened Risks – Isolation has created more screen time, remote schooling, with little to no FaceTime with mandated reporters. Any online video game with video chat features sets the stage for predators. Over 66% of the individuals in the chatrooms are not who they say they are in those chatrooms. When children do not frequently meet with their guidance counselors, teachers, and others, the result is potentially dangerous situations.

“Words are meaningless without intent and follow through. If Annie or I state that we will be there, we need to be in order for victims to trust us and work with us. The focus of my work is for full recovery of the victim,” stated Detective Zontini.

Jacob Stapleton, Community Engagement and Advocacy Coordinator for Children’s Cove, spoke regarding the advocacy they do for children on the Cape. Many victims think they are, in fact, a loving relationship. In the year 2019, there were 281 victims of child exploitation in southeast Massachusetts, including online exploitation. Jacob reiterated that is it happening here in Yarmouth and all over Cape Cod. The number of cases dropped by 50% because of the inability of cases to be reported during the pandemic.

Golf Tournament Update – Jim Seymour reminded everyone that the golf tournament is on! The brochure is being finalized and will be distributed soon. PP Kevin Lennon showed the online portal for registration. The link for registration is <https://birdease.com/yarmouthrotarygolf>. By going online with the registration, it will streamline the process and make it easy for us to register golfers, maintain contact with them, and make the day-of events easy. Jim Seymour will be sending out a detailed email for silent auction items, the registration process and more in the coming days.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
