PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 34 No. 8

August 25, 2023

The Main Event

John Cooke & Steve Albright gave a yearly update on the ClubRunner App for your phones and an update on the Yarmouth Rotary Website.

Steve asked how many members have the app downloaded on their phone. Less than 50 % of the members are currently using it. He encouraged all members to download it. When you go to the App store search for Clubrunner and look for a white CR on a blue background.

You will need your login and password that you use for the website. If you do not remember it or you have never login, please talk to John or Steve and they will help you with it.

On the bottom of the screen go to members. You now have an up-to-date list of all the members of our club. You can call, text or email them from here.

You can access our clubs and the district websites from here. In addition, there is a whole lot of other great information that you can access from this app. Just go ahead and play with it. If you have any questions, please see John or Steve.

John spoke about the club's website. It is also powered by clubrunner so all the information on both the website and app is the same.

John started with the home page and how to log in. Again, if you have any issues logging in please see John or Steve. He talked about all the info you can find on the left side of the home page. All our different site pages are listed. HE spoke about the different links that you can go to directly firm here. Some of these include the district website, our facebook page, Rotary Youth Exchange D7950 Website and many more. In addition, this is where you will find stories of what we have done or are planning on doing.

He then talked about the back pages of the website and what other information members can access or use. The main one is the email section of the website where you can email one or all the members in the club. In addition, you can set up address books, so you have a specific group of members you want to regularly contact. This is very helpful if you are a committee chair or secretary of a committee.

Again, like the app, you become more familiar with it the more you play with it or use it. The website is access limited so some of us have more access than others. Steve and I are administrators of the website, so we have control over it so if you are having an issue with it or need help, please see either one of us. We are always glad to help.

DEIB Information Corner

Maya Palanza Gaudin, shown right, accepts Drive, Chip & Putt trophy (Image Credit: Twitter @DriveChipPutt)

[Maya Palanza Gaudin](#) is a name that may not be widely known yet, but it is certainly one that will gain recognition in the golfing world in the near future. This young golfer, whose parents are originally from [Falmouth, MA](#), and currently reside in Abu Dhabi, has been making waves in the junior golf scene for the past few years. Her latest triumph came at this year's Masters, on Sunday, when she won the United States Golf Association's national Drive, Chip and Putt Championship at the prestigious [Augusta National Golf Club](#) in Georgia. Gaudin emerged victorious in the girls' 12-13 age division in her first appearance at this renowned event.

DEIB Committee Members: Rufus Jones (Chair), Bruce Gordon, Bill Boyd, Jane Cain, Hollie Handrahan, Ann Knell, Frank Mastromauro, Joe Potzka, Sara Grambach

While her recent championship win is certainly impressive, what makes Maya's story even more fascinating is her remarkable journey in life so far. Maya was born in southern Ethiopia, and tragically, her biological mother passed away shortly after giving birth to her. With no women in the area able to care for the newborn, her father and uncles undertook a challenging journey, walking over 50 miles to transport her safely to the nearest hospital. Her biological father then made the selfless decision to put her up for adoption, with the hope that she would have a better life in the care of someone who could provide for her.

On April 2, Maya sealed the deal in Girls 12-13 with this sidewinder. #DriveChipandPutt

Maya was subsequently adopted by Cassandra and Stephen Gaudin, with Cassandra hailing from Falmouth. The couple, who first met on a golf outing [on Cape Cod](#), introduced Maya to the game when she was just 5-years-old. She quickly showed exceptional talent and has been playing golf at a high level for several years now. She currently holds the title of junior club champion at her home course, [Yas Links](#), in Abu Dhabi, and she also secured a notable victory in the [US Kids European Championship](#) in Scotland last year. Her home course in the United States is [Sacconneset Golf Club](#) in Falmouth.

In the recent Drive, Chip and Putt Championship, Maya demonstrated her skills by earning the most points in her age group, totaling 26. The competition allows for four shots in each category, with a maximum of four points awarded for each attempt. Maya's exceptional performance in this prestigious event is a testament to her dedication and talent as a young golfer.

Looking ahead, Maya has expressed her aspirations to compete in [more junior tournaments](#) in the United States. During the summers, when she spends time on Cape Cod, she regularly participates in the New England PGA junior tournaments. She also has her sights set on qualifying for the [Augusta National Women's Amateur](#), showcasing her ambition and drive to excel in the sport.

When reflecting on her incredible journey in life, Maya told Golf Digest that she views the opportunities she has been given as a gift, and she intends to make the most of them. She described her recent win at Augusta National as surreal and expressed her gratitude for the experience. "It probably wasn't supposed to happen, but it did and it's surreal. I don't really have any words for it...I can't believe it. Just coming (to Augusta) was surreal, and then winning is on a whole 'nother level," Maya shared with Golf Digest.

Maya Palanza Gaudin's story is one of resilience, talent, and determination. From her humble beginnings in Ethiopia to her remarkable achievements on the golf course, Maya's journey is an inspiring example of the power of opportunity and the pursuit of excellence. As she continues to make her mark in the world of golf, Maya's name is sure to become more widely recognized, and her future in the sport looks incredibly promising.

Support Crutches 4 Africa

Enable disabled in developing countries to have hope, dignity, health and access

Keep aluminum out of our landfills

Crutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program. If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

\$\$\$\$ HAPPY BUCKS \$\$\$\$

Ann Knell – School in Maui – The DY Connection to it.

Jan Martin – Tee Martin here, he was the 1st and 2nd President of the Mashpee Club.

Roby Whitehouse – Niece Liza here for vacation.

Brian B. Smith – For what I said earlier.

Jim Seymour – Cape & Island Veterans – 20 Best places to work. Thank you to John Herr for donating to our gala event.

Joe Potzka – Donations for Golf Tournament – How easy it is to get donations.

Jill Albright – Picked up Paula, our exchange student from Germany, family is here and we have a house full, DG Angela, thank you for joining us today.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them through our weekly deliveries on Tuesday.

HELP WANTED: Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. John Cooke has been doing the writing for over the past 6 years and needs to step away from it due to time constraints and time conflicts with work. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 12 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter and we have a DEIB speaker every other week so the workload has increased.

DUES NOTICES: Currently there are Eleven members that have not paid their dues which were due July 1, 2023.

Payment may be made by clicking on the link in the emails that have been sent. In addition a check can be mailed to Yarmouth Rotary PO Box 448 South Yarmouth, MA 02664. In addition, credit card payments may be made at any regular meeting. Please see treasurer Steve Albright to pay by credit card.

Rotary Fellowship - Thank you Jackie for a great time, great food, great fellowship and great music.

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

The Helping hands Committee undertook a new garden project two weeks ago. We adopted the garden in front of Town Hall where the sign is located. The team pulled weeds, removed dead bushes and did a general cleanup of the area all while fighting off a swarm of bees that had a nest in the garden. The team then planted new perennials and mulched the garden. Future plans included enlarging the planting bed, additional plantings, install new pressure treated timbers as an outline and installing a new sign. For now the garden looks neat and great. We also had time to weed the gold star memorial garden to make that look great. Volunteers included: Ken Knell, Ann Knell, Jackie Carnevali, Chris Morin, Curt Sears, Ken Livingston, Joe Potzka, Bill Boyd and Steve Albright. I hope I didn't miss anyone. If I did please accept my apologies.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
