## The Main Event

**Keith Young, Massachusetts Air and Space Museum** - Keith has been involved in technology services for over 35 years and became involved in the Massachusetts Air and Space Museum. Keith has been working with the museum since 2015 as a director than manager. He passed his private pilot check ride in 2019. He is now the Director of Operations for the museum, which is a 501c3 nonprofit organization and receives no funding from governmental organizations. Early history of the museum: all 49 other states have such a museum, leaving Massachusetts out. When he joined the steering committee, there was a lot of talk and not a lot of action. The early presence was a display at the Charles River Museum of Industry and Innovation in 2015. There is a quarterly newsletter with over 750 email inboxes with an open rate of more than 47%. They also focused on building out web exhibits. This information is only available online, not in the actual museum. They held a general aviation forum in Worcester, as a method to get the word out to all of the various aviation clubs. The MASM developed a lengthy mission statement, boiled down to getting people excited about flying and space. In October of 2019, they held the first aviation career fair with 30 different aviation related businesses and over 450 students came to the airport. The plans are in 2022 to resume the event. In early 2020, they were able to finish the space, located in Capetown Plaza (where KMart used to be) in Hyannis. They opened their doors on February 15, 2020 and had to close in mid-March due to the pandemic, reopening in July 2020. During the closure, they continued to gather more items for the museum, including material from the space shuttle, a GE jet-engine and others. The museum focuses on aviation within the state of Massachusetts. In the museum, you are encouraged to learn about the people who have contributed to aviation from our state. There are 3 simulators for guests to try, including a sit-down flight simulator. The museum also serves as a community outreach for those interested in aviation. For more information, visit:

**Golf Tournament Update** - At the current moment, we have 36 golfers. Yes, you can solicit auction items and certainly we will need volunteers as well. This is an all hands on deck effort!

**Public Safety Announcement** - Kevin mentioned that there will be a tropical storm on Sunday. We will be receiving the majority of the winds on Sunday/Monday.

**Facebook page** - Please look at the remembrances for Tom and Finbar.

**Golf Tournament Update** – Jim Seymour reminded everyone that the golf tournament is on! The brochure is being finalized and will be distributed soon. PP Kevin Lennon showed the online portal for registration. The link for registration is <https://birdease.com/yarmouthrotarygolf>. By going online with the registration, it will streamline the process and make it easy for us to register golfers, maintain contact with them, and make the day-of events easy. Jim Seymour will be sending out a detailed email for silent auction items, the registration process and more in the coming days.

**CAPE COD BRITE LIGHTS**

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

**How you can help:**

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card.

Fourth: Visit our website and learn more about us. [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com)

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

**Leg Braces**

**Crutches**

**Forearm Crutches**

**Walkers**

**Wheelchairs**

**Prosthetic Limbs**

**Baby Joggers & Strollers**

**Bike Trailers**

## THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
