PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 29 No. 6

August 9, 2019

The Main Event

Membership Committee - Melissa Farrell and Jill Albright spoke to the club about the Membership Committee. Melissa stated that We have a lot of great people that come through the club, such as Rising Stars and speakers. They have developed a letter regarding what we do, why we do it and how. They are kicking this off in the coming weeks so that we can spread the word. Jill then presented on our membership and one of the things the club will be doing is the Membership Committee meeting monthly to garner ideas and help support membership. One idea is to provide speakers not just the mug, but also information about the club, about Rotary, including the ROTARY magazine. Jill showed a video from Rotary International regarding a club Health Check. The video was regarding sending a survey to all members to assess the health of the club. Jill mentioned that later this afternoon, we will be sending out an electronic survey for all members to be participating in the Health Check and self-assessment. The last meeting in August, the Membership Committee will be presenting the results from the Health Check. There was discussion regarding how to attract younger members, and including people from the CCYP and other organizations to get youth to attend the meeting. Jill's hope is to find a project that we can collaborate on with the CCYP and perhaps begin a service membership level. Allison mentioned that several members attend CCYP events. She mentioned if we are looking to encourage members, we will need to consider the format and nature of meetings, events, and more which is a broader discussion. The Membership Committee needs to work with the Public Image committee in order to promote and work collaboratively to get the message out. Another suggestion from Brian Braginton-Smith was the need for more fellowship!

Announcements

Membership Meeting - The next Membership Meeting will be August 20 5PM at the Yarmouth Chamber of Commerce. Please mark it on your calendars and all are invited to attend

Golf Tournament - Dick Corsini approached the club and asked for 80% of the club to be involved in one way or another. If you are out and about, please ask the restaurant for a gift certificate. Please begin knocking on doors! Last year we gave \$24,000 in scholarships and it is a cause that all local businesses would like to be a part of. Allison reminded everyone that if they contribute, we will highlight them in our social media posts. Businesses want to be able to show that they are contributing to the community. Dick also mentioned that Allison is working on a spreadsheet that will be available online for everyone to be able to see what sponsorships we have received thus far. Keep the items rolling in!

Club Dues - As of today, we have 66% of dues paid, which is a great start. If you haven't paid yet, please do so soon!

Storm/Tornado Cleanup - There are 90 vulnerable seniors that need assistance. Curt Sears, Dr. Bruce, Frank Mastromauro, and Tom Zurn cleaned 5 or 6 yards this past week and helped with debris removal. Municipal and state workers cannot help people cleanup because the town was not declared a state of emergency. There are crews working in the next

Where Are They Now? - Ron Hawes spoke to the club and mentioned a few options that they are looking at. One involves cards and email to all those who have left the club for whatever reason or hold a breakfast/brunch at a location. Ron has contacted the Senior Center to see if there will be aid in transportation and they expressed interest.
