The Main Event

HOLIDAY AUCTION—Our annual Holiday Auction was held on December 3rd this year. It was conducted in a hybrid fashion this year, with members both in person and joining in on zoom. (We're getting pretty smart with this zoom thing). Peter Murray did a great job as auctioneer again this year and got everybody in the bidding mode with his famous saying; "It's for the Children". A huge thank you goes out to the whole auction committee for working so hard to solicit donations, create a power point for all of us to look at, and conduct the auction. A huge thank you to our Interact students that assisted with our virtual bidding. In addition, thank you to our donors and bidders. Without you we would not have had as successful an auction. This year, (drum roll please) we raised \$13,365. Not our best year but a great year none the less.

THE CHILDRENS HOLIDAY PARTY is scheduled for this Sunday December 12th between the hours of 1 –3 pm at the Yarmouth Senior Center. Some information for all of you:

COOKIES—Please bring your cookies to Fridays Rotary Meeting, drop them off at Carol Woodbury's office on Station Ave. on Friday by 2 pm or bring them to the senior center on Sunday between the hours of 11—12.

GIFTS— If you volunteered to buy gifts, you have the option to drop them off at Mary Lenihan's house, Friday or Saturday. Note: Mary is currently out of town until Saturday. Her sons are collecting the gifts. The **best** option is to drop them off at the Senior Center on Sunday between 11 –12.

CHRISTMAS FOOD BASKETS—We are currently in the process of providing Christmas Food Baskets to families in need at the Station Ave and ME Small Elementary Schools. Currently we have a total of 33 families that have been identified by the social workers at both schools that could use some help with food for Christmas. So we are assembling Food Baskets for these 33 families. If you would like to help, donations are being accepted. Please make your check out to The ROTARY CLUB OF YARMOUTH and you can give it to Steve or Curley at tomorrows meeting or send it to:

YARMOUTH ROTARY

PO BOX 448

SOUTH YARMOUTH, MA 02664

The baskets are costing us \$75—\$80 each to assemble.

Thank you in advance for all you do for our club and the community we serve.

Yours in Rotary "Serve to Change Lives"

Steve & Curley

Announcements

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Five Avenues of Service

The Five Avenues of Rotary Service form the foundation of Rotary's work, ensuring focus on Service Above Self and that the service efforts are balanced and advance all aspects of the Object of Rotary to encourage and foster the ideal of service as a basis of worthy enterprise.

Club Service – The First Avenue of Service

We are a volunteer organization which requires everyone's help to make the club operate. Everyone gets a chance to pitch in at various times throughout the year. Club Service includes, but not limited to front desk, greeting members and guests, leading the club, in the pledge or 4 way test, helping to set up or tear down the room for the meeting or any of a number of other tasks.

Vocational Service – The Second Avenue of Service

As business leaders and community leaders, Rotarians share their skills and expertise through Vocational Service. Your Vocational Service efforts can play a vital role in improving the quality of life for those hardworking members of the community who need direction and expertise. By participating in several Vocational Service activities like mentoring, career days, vocational awards, business assistance, or even talking about your job at a club meeting – you can turn your experience into an invaluable resource for others.

Community Service – The Third Avenue of Service

Many members focus on Community Service projects. Community Service can be likened to "rolling up your sleeves" to serve our community. Our projects include helping hands, stuff a cruiser food drives, packing and delivering backpacks of weekend food for students, cooking at Champ Homes, labeling and delivering the books our student vacation book club, shopping for gifts or serving meals for our annual holiday Christmas party, working on the gardens that we take care of around town or one of the many more projects we find ourselves involved in.

International Service – The Fourth Avenue of Service

International Service is for the advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service, to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The International Committee of our Club has many projects supporting these goals and invites and encourages member participation in this important work. Our club is currently involved in three schools in India, helping to provide an education for children from low-income neighborhoods. In addition, our projects provide nutritional food, clean water, proper sanitation, and hygiene education for the children. In addition, we help to provide adult education to people who have never had an opportunity to learn. We have participated in peace and conflict resolution discussions and forums and have collected used mobility devices for the Crutches for Africa program.

New Generations Service – The Fifth Avenue of Service

New Generations Service, the newest Avenue of Service, created by the 2010 Council on Legislation of Rotary International recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects and exchange programs that enrich and foster world peace and cultural understanding. Our Club is committed to involving youth and young adults in all of its activities including vocational, community and international service projects. We support our Interact Club at DY Regional High School, the Rotaract Club at CCCC, RYLA by supporting and sending students to this program each year, Youth Exchange by

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
