## The Main Event

**The 2023 Holiday Auction** is now complete. Fantastic items were donated to the auction including a week in Estes Park, Colorado, a week in Aruba, great dinner parties at Curly & Kelly Careys, Rufus and Laraine Jones, Jackie Carnevalis, Tom & Sue Tomasiks and Jill and Steve Albrights. There was a plane ride from Jim McLouglin, a Jeep Tour by Dave and Rosemary Akin, and a sunset sail with Chantal & Chad Rice. In addition, there were many other items offered including a painting by Emily's friend Kate a 16 year old artist from the Ukraine.

Thank you to Chantal and Roby for organizing the event, the committee, our auctioneer Peter Murray and all of you that donated items to the auction and those of you who bid and won the items offered.

**After the Holiday Auction comes our Annual Holiday Childrens Party.** This was another huge successful event again this year. Co-Chaired by Bill Lemoine and Mary Lenihan and a devoted committee, the event went off without a flaw. Shoppers were busy for weeks before the event picking out those special presents and gifts. With the help of the social workers at Station Ave. Elementary School, ME Small School and the new Intermediate School we invited 30 families with a total of 76 children that were eligible for gifts.

We had games for the children, face painting by fun clowns, cookie decorating, songs and music and of course, Santa Claus and his Elves stopped by to wish everybody a Merry Christmas.

And we had an excellent meal provided by Jerry Manning and Captain Parkers. Jerry and his crew have been donating and cooking dinner for many years. Stop by Captain Parkers and say thank you to Jerry for his generosity.

Thank you to Bill and Mary, the committee, the shoppers, the decorators, the set up crew, the hosts and hostess at the event, the kitchen crew, the cleanup crew, Captain Parkers, the Interact Club and the social workers from the school.

A great time was had by all that attended and I think those of us that worked that day also had a great time.

There are no Rotary Meetings on Friday December 22 and December 29. We will see you again in the new year.

Happy Holidays to All.

### Ken Knell

**Wreaths across America.** There are currently 3700 cemeteries that celebrate this event. There are options to sponsor a wreath or assist in placing wreaths on grave sites. The Helping Hands committee voted to have a wreath placed at Chandler Gray Cemetery and honor the over 1200 veterans that are buried in town. We will gather on Sat. Dec 16th at 10am.

### JACKIE ROBINSON'S CAREER IN THE ARMY

Did you know that April 15th is Jackie Robinson Day? On this day in 1947, Robinson broke Major League Baseball's decades-old color barrier, when he stepped foot onto Ebbets Field as the Brooklyn Dodgers' first baseman, wearing his now iconic number 42 jersey. However, few know that before his legendary career as a professional baseball player, Robinson served in the United States Army during WWII. Continue reading to learn more!

### AN UNJUST ERA

Jackie Robinson was drafted on April 3, 1942, and was assigned to a segregated cavalry unit at Fort Riley, Kansas. While there, the college-educated Corporal Robinson applied for Officers' Candidate School (OCS). Although the Army officially supported the training of black officers, few thus far had gained admittance to Fort Riley OCS, including the future baseball great. After experiencing repeated delays, Robinson was undeterred and approached Private Joe Louis, the heavyweight boxing champion of the world who was also stationed at Fort Riley, for help. Four years earlier, Louis had already secured his place in the annals of sports history, when he defeated Hitler's "Aryan Superman," Max Schmeling, in their widely anticipated 1938 rematch.

Photos provided by the Jackie Robinson Foundation.

The "Brown Bomber," as Louis was known, was the reigning heavy-weight champ. While not an officer, Louis used his clout and wrote to his friend Truman K. Gibson, Jr., one of the few black lawyers in America at the time. Currently serving as an assistant to William H. Hastie, a civilian aide and adviser on racial affairs to Secretary of War Henry L. Stimson, Gibson became involved in the issue. Due to the Brown Bomber's intervention and Gibson's influence, Robinson was enrolled in OCS at Fort Riley, along with several other black Soldiers. Upon Robinson's completion of OCS, he was commissioned as a 2nd Lieutenant in the United States Army on 28 January 1943.

### HIS FIGHT FOR EQUALITY

In 1944, while stationed at Camp (now Fort) Hood, Texas, 25-year-old Lieutenant Robinson was attached to the 761st Tank Battalion, an all-black unit which later distinguished itself in the Battle of the Bulge. On July 6, 1944, eleven years before the bus protest by civil rights activist Rosa Parks, Robinson refused to move to the back of a military bus he was riding in, when directed to do so by the white driver. In his autobiography, Robinson wrote that he told the driver: "The Army recently issued orders that there is to be no more racial segregation on any Army post. This is an Army bus operating on an Army post." Furious, the driver escalated the incident; nevertheless the 2nd Lieutenant would not back down.

When the bus reached the end of the line, Military Police were called and took Robinson into custody. When Lieutenant Robinson challenged the racist line of questioning by the assistant provost marshal, the officer of the day, and others regarding his unjust treatment on the bus, he was arrested. As a result of the confrontation, several charges were brought against Robinson, to include insubordination, conduct unbecoming of an officer, refusing to obey the lawful orders of a superior officer, disturbing the peace, drunkenness (although he did not drink), and insulting a civilian woman. The beleaguered Lieutenant would face these trumped-up charges against him in a court-martial.

In a July 1944 letter from Robinson to Truman Gibson, who had earlier aided the former OCS candidate, he wrote: "I don't want any unfavorable publicity for myself or the Army but I believe in fair play and I feel I have to let [someone] in on the case." 2nd Lieutenant Jackie Robinson's court-martial commenced on August 2, 1944. During the trial, cross-examination of the prosecution's witnesses by Robinson's attorney, Captain William Cline, revealed numerous inconsistencies in their testimonies. Robinson was ultimately acquitted on all charges.

## **AFTER THE ARMY**

On November 4, 1944, Lieutenant Robinson was honorably discharged from the United States Army, allegedly due to two ankle injuries he sustained playing football in 1937, and again in 1941. A bone chip in Robinson's twice-broken ankle periodically caused the joint to lock up, which made him physically unfit for military service. Now a civilian, Robinson was free to pursue a career in professional baseball.

Jackie Robinson's moral courage and fierce opposition to racism while in the Army foreshadowed the impact the future Hall of Famer would have less than three years later, when number 42 stood at first base on Ebbets Field as a Brooklyn Dodger.

Incidentally, on July 26, 1948, just over a year after Robinson made his trailblazing appearance in the Major Leagues, Executive Order 9982 was issued by President Harry S. Truman, abolishing racial discrimination in the armed forces.

In 1997, Jackie Robinson's uniform number 42 was retired throughout professional baseball. Subsequently in 2004, Major League Baseball designated April 15th as Jackie Robinson Day. On this day, every player, coach, manager, and umpire wears Robinson's number to honor the man and his enduring legacy. Robinson not only changed the game of baseball by breaking the color barrier, but also by the way he lived his life with humility, poise, and an unwavering commitment to equality. Legendary number 42 continues to inspire the lives of others today. For more information regarding Jackie Robinson's life,

**Cutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

**COVID & CORKS**—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

**Curley Carey – Christmas Dinner at Champ House**

We will be collecting items for Champ House for the annual Christmas Dinner we serve the residents. Thank you to everyone who donated for Thanksgiving and please sign up for those that can donate for Christmas.

**HELP WANTED:** Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 12 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter and we have a DEIB speaker every other week so the workload has increased.

**MEALS ON WHEELS** – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them through our weekly deliveries on Tuesday.

#### CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$250—\$300 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

**Fourth:** Visit our website and learn more about us. [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com)

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
