The Main Event

Holiday Auction—This years Holiday Auction was Co-Chaired by Chantal Rice and President Roby Whitehouse. Although we were missing some of the popular auction items this year, it was still an exciting morning and bidding became wild on a few of the more popular items. When all was said and done we raised **\$13,925**. Not a record but a fantastic effort by the committee and most importantly the bidders. Thank you to Peter Carnes who came out of retirement to be our auctioneer, the members and friends that donated items to the auction and the bidders. All of your generosity paid off. If you haven't settled your debt, please see out treasurer.

Children's Holiday Party—This is what all of the hard work was for. The auction to raise the money, the buying and wrapping of gifts, the serving of Capt. Parker's Turkey Dinner, the set up, the tear down, the clean-up and everything else that went into making this years Children's Holiday Party a huge success. We were finally back in person after a number of years of having to have a drive buy event. It was business as usual and nobody forgot how to put this amazing event on. We invited 31 families with a total of 78 children. Music, games, facepainting, cookie decorating and a stage lined with gift bag after gift bag, There were tins of cookies and sweatshirts piled high on the table for families to take home with them. When all was said and done it was another great event. It is only just over, but all are looking forward ot next years event.

Guatemala Service Project— A recent service project trip took me to Guatemala. While there we spent two days at Safe Passage (Camino Seguro), a school started by Hanley Denning in 1999. It was a school started for the children of the dump in Guatemala City. Today it is comprised of 4 different campuses with a new 5th campus being developed for a new middle school and library. 8 to 10 thousand people make a living picking at the dump each day earning around \$4.00 per day. Most if not all of them live in the poorest conditions in what is called Zone3 of Guatemala City. In addition to the school for students an adult education center has begun called Las Creamos to help adults improve their lives.

We then spent another two days in Panajachel and Santa Catarina Palopo, in the lake Antitlan Area of Guatemala, Hiking up the side of a volcano to visit an area where there is a Mayan Indigenous Village. Here we brought water filtering systems to families. In addition we visited the offices and staff of Worthy Village, a non profit organization that works with the Mayan people and toured the Worthy Village Medical Clinic with Dr, Luis de Pena. Worthy Village is a non profit organization who's mission is to build pathways out of poverty for women and children in Guatemala by providing economic opportunity, healthcare and education. *Steve Albright*

Announcements

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

Interact Project—In combination with our Rotary Club, The interact Club of Dennis Yarmouth Regional High School has begun to do a very worthwhile project at the Middle School and High School. After speaking with the school nurse it was realized that there was a significant need for feminine hygiene products and also just basic everyday hygiene products for both girls and boys. These items can not be purchased with food stamps or any other government supplemental funds or program. Interact agreed to take on this program and work with the club to provide these needed products. A District matching grant was applied for and approved giving the Interact a significant amount of monies to help fund the program. Shown in the photo with Rotarians are brother and sister Elisabeth and Patrick Turner, both members of Interact who helped pack bags to be given to the school nurse for distribution.

Items packed included, soap, deodorant, shampoo, toothbrush, toothpaste.

Food Supplies at the Pantry are very low and the demand for the services of the food pantry are up due. If you can make any type of food donation it would be greatly appreciated.

THESE ITEMS ARE ALWAYS NEEDED AT THE YARMOUTH FOOD PANTRY

Canned Pasta
Mac & Cheese
Peanut Butter
Jelly
Cereal

Syrup
Tuna Fish
Soup
Instant Potatoes
Nutri-Grain Bars

Drop your donations off at the Pantry Mon—Thurs. 10am to 12 noon.

Mail check donations to Yarmouth Food Pantry, PO Box 982
West Yarmouth, MA 02673

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
