Guest Speaker Amanda Kaiser from E for All - Amanda spoke regarding E for All (Entrepreneurship for All). She is the Managing Director and helps aspiring business owners move forward and grow their businesses. Like Shark Tank, the popular TV show, they do that on Cape Cod and offer cash prizes for these businesses to establish on Cape Cod. There is also a business accelerator program for aspiring business owners as well, which is a course for 15 participants which includes budgeting, marketing plans, business plans, etc. At the end of the 3 months, several of the participants are given seed money and meet with mentors for 9 months. The idea is that they have a sounding board as they begin to craft these businesses. They meet for 90 minutes per week. They also meet with staff and cohort and have additional seed money. If you or someone you know has the experience and knowledge to mentor, they are looking for help to mentor these incredible entrepreneurs. For more information, visit: https://eforall.org/business-accelerator/ .	Holiday Party - Bill Lemoine gave an update on the shopping day which is this Sunday, December 1st at 8am at KMart. Bill let us know to keep the list moving. Wrapping will be on December 7th at the Senior Center and the party will be December 8. Don't forget cookie tins day of party. An email will be going out with the details.				
	Membership Message The GOAL of our club and our membership committee is to involve NEW members and MORE members, along with a focus on developing newer members for long term membership and club sustainability. We remind all members that we are a great club, but always have room for improvement. Our suggested action plan includes: Personally asking members to volunteer Speaking about project content and time commitment Defining committee responsibilities Increasing frequency of club assemblies Club Goals: Net gain of 2 new members per year for the next five years Publish our successes with the community Communicate regularly with members Share the gift of Membership! Every member is on the Membership Committee!! There is no greater satisfaction than offering membership in our club and our Rotary family.
