Wreaths across America. There are currently 3700 cemeteries that celebrate this event. There are options to sponsor a wreath or assist in placing wreaths on grave sites. The Helping Hands committee voted to have a wreath placed at Chandler Gray Cemetery and honor the over 1200 veterans that are buried in town. We will gather on Sat. Dec 16th at 10am.

Golf Tournament Profits are used to support scholarships, Good Works and more recently The Vacation Book Club.

At the last Board meeting the board approved \$15,000 from the Golf Tournament Profit for scholarships. In addition, it is requesting from the Foundation Board \$8,000 from the unclaimed 2020 scholarships be rolled forward into this year's scholarships giving us a total of \$23,000 for 2024 scholarships. An increase of \$2,000 over last year.

Beginning in 2024, all scholarship awards will be paid out at the award ceremony which means beginning in 2024 there will be no more unclaimed scholarships and no more money to roll forward.

Good Works – Back 10 -12 years ago, the club had numerous checking accounts. The operating account, scholarship account, good works account, and Foundation Account. When Charlie Labou was Treasurer, we did away with the Scholarship Checking Account and the Good Works Checking Account.

What is set up in Quick Books are Asset Accounts which keep track of how much is in each of those two areas.

As of today, there is a balance of \$724.48 in the Good Works Asset Account. To date this fiscal year, \$6,454.65 has been expended out of the Good Works Asset Account. All the expenditures so far, this fiscal year and the current balance of \$724 have been from left over funds from previous years in this account. There is a \$7,200 line item in the current year's budget which needs to be funded so I can move it over to the Asset Account. Funds for this come from the Golf Tournament Profit and the Holiday Auction Profit. The board is waiting to see how much we raise at the Holiday Auction before funding Good Works for the current year. So, bring your checkbooks and credit cards and bid high next Friday.

The Vacation Book Club. We budgeted \$10,000 for this project this year. The \$10,000 would have gone to fund 5 books for about 900 students each time.

When we started this project three years ago the books cost \$1.00 each. Today they are costing \$2.00 each so our cost has doubled.

So, the board is looking at cutting down to 4 books this year, bringing our total costs down to \$8,000. So far this year we have funded \$5,500 of the \$8,000. We received \$1,500 from a District Grant that I had applied for, and we received \$4000 from the Yarmouth Rotary Foundation. We still need to fund \$2,500 and those funds also need to come from donations, the Golf Tournament, or the Holiday Auction.

Holiday Christmas Party. We have a \$10,000 line item in this year's budget for the Holiday Christmas Party. We will be hosting 30 families with a total of 76 children. We estimated 70 children but unfortunately you don't know how many children are in each family until you get the list of names. This year we had more. So, the higher number is adding an additional \$600 in our costs. We also didn't get additional funds or donations from Target as we had in previous years so that hurt.

I share all of this information with you, so you know how important the Golf Tournament and Holiday Auction are to our ability to do good in our community.

John Cooke – Community Service

Meals on Wheels is in strong need of more volunteers. It is every Tuesday at 930am – 11:00am.

Ken Knell has done a great job with working on the helping Hands and our adopt a garden programs going well.

Wreaths across America, we will hosting our own event on Saturday December 16th at the Chandler Gray Cemetery to honor our veterans. Wreath laying will take place at 10:00am

Good Works we have donated over \$6000 to various organizations as well as some natural disasters that have occurred over the past year.

Tomas Tolentino – Public Image

TGIFY is continuing to be published. I am doing most of the writing for the articles and photo and Steve Albright is doing the layout and publishing of the TGIFY. We could use some help with this.

We include weekly DEIB articles provided by that committee.

We continue to expand our social media reach. We have been getting hundreds of shares and likes with our facebook posts plus other organizations are liking and sharing it on their facebook pages.

Lou Preziosi—New Generations

Thank you to the Chairs of the committees:

Rising Stars - Bill Glass
Interact, Early Act, Ryla- Tomas Tolentino
Scholarships- Bill Lemoine
Childrens Holiday Party-Mary Lenihan and Bill Lemoine
Youth Exchange= Bill Glass
Elementary Reading Program-Jan Martin

Special thanks to Jill and Steve Albright for being a part of each of the committees and sharing their expertise with us.

Rising Stars-Bill Glass

As you know, the club has been honoring Rising Stars from Cape Cod Tech and Dy high schools every month during the school year. The selection process is operating monthly thanks to the cooperation of the guidance departments and the work from our liaisons Roby and Carol (Chantel). We expect 16 Rising Stars to be honored by May 2024.

Interact, Early Act, Ryla – Tomas Tolentino

Tomas and Jill have attended a number of meetings with the Interact Club and their school adviser, Stephanie Riley.

The students are required to set their own goals which includes service to the school and the community.

Some of their goals this year are-

Assisting Bright Lights at the Food Pantry -3rd Wednesday of every month.

Helping out with the auction on December 8th

Supporting the Childrens holiday Party on December 10th which includes shopping, elves, singing, face painting, set up, serving' etc.

Fundraisers such as the Gingerbread house, Valentines Day, VB tournament, CPR event to raise money for Ukraine and hosting the Rotary breakfast next May (24th).

At some point we would like to establish an Interact Club at CCT.

Early Act-Jill, Bill and Tomas are planning on discussing the potential for an early act club with Principal Bovino at the MS next year.

Scholarships Committee-Bill Lemoine

Thanks to the efforts of Rotary fundraisers, specifically the golf tournament, we continue to distribute scholarships to worthy DY seniors, The 12-member committee reviews the applications and submits their votes based on a point system. Students are required to submit their applications by April 1st, Applications include a thorough resume, essay prompts, school activities, rank in class and a recommendation from the school counseling department, Based on the applicants point value checklist and a consensus of the members, the qualified students are awarded between \$500.00 and 1,000.00 dollars which they will receive at awards night at the end of the school year. The club has generously awarded between \$20,000.00 and \$22,000.00 in the past.

We hope to receive applications from CCT this year as well---their deadline will be March 1st. Last year 19 scholarships were awarded for over \$20,000.00.

Childrens Holiday Party-Mary Lenihan and Bill Lemoine

We are, once again, looking forward to December 10th Childrens party, At the time of the initial meeting, Mary and Bill assigned roles for the volunteers which included shoppers, set up, clean up, Kitchen food distributors, Santa, Clowns and interact involvement.

76 children will be present along with their families based on social workers recommendations from three schools. If you have any additional questions, please see Bill or Mary.

Once again due to Jim Walkers' help, Captain Parkers will donate a wonderful meal.

Youth Exchange-Bill Glass, Jill and Steve Albright and Pam Rideout

As you all know, Emily has made a smooth transition from the Albrights to Mary Lenihans Home last month. She was recently selected for induction into the National Honor Society. She has taken the PSAT and will be visiting her first choice for college, Emanuel, in Boston. Although it was a rough soccer season for DY women, she earned a place as a starter.

The club is also sponsoring an outbound student from Providence. Her name is Hadley Wohlrab from Copenhagen, Denmark.

We are still hopeful about a senior from DY who is working on his application for a gap year exchange. Deadline is approaching fast.

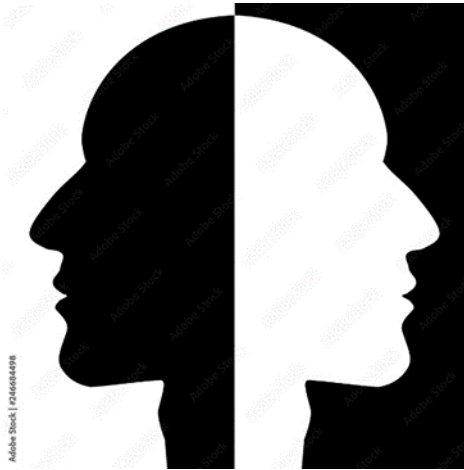

Elementary Reading program-Jan Martin and Jill

Jill is continuing to work with Meredith and the library staff on re-instating the program.

Crutches for Africa

Thanks to all who helped pick up the items and bringing them to the transfer facility and to those who transferred the items to the truck which came down from Maine Rotary (Dennis Robillard). The crutches, wheelchairs, walkers and canes will be sent to Africa where they will be distributed to handicapped individuals through local medical and town facilities.

We're All The Same Inside

I'm working on my biography and just recalled this. Not sure if you want to use this or not for DEI. — There are only two teachers I recall specifically from Junior High School. One was Mr. Robinson, my PE teacher, a tall, muscular black man, and very kind and good with kids. He was the first black professional person I had ever met. Well, he and a couple of the other coaches went with us to a beach for a swimming lesson & a fun time. It was an all-day trip by bus, and I don't recall to which beach, but possibly Malibu or Zuma.

We all had a great time, and nobody got into trouble on the trip, even though we didn't get back until dinnertime. I put sunscreen on several times, but some of the darker complected kids, and also Mr. Robinson, did not. The next day, Mr. Robinson was absent, and the following day (yes, we had PE every day) he showed up walking very carefully and slowly. I asked him what was wrong, and he said, sunburn. Over the next days, he peeled over large amounts of his body, and I was shocked to see underneath he was just as pink as I was. (You can tell how much info on race was in our curriculum-zero is a good guess.). I felt really bad for him, but eventually, he was back to normal. After that, it was impossible to think that people were anything other than people.

SHARING YOUR DEIB MOMENT

A goal of our Club's DEIB Committee for the 2023-2024 Rotary year is to continue to have a Club member share their DEIB moment during our Club meetings held on the 2nd and 4th Friday of each month. Our weekly Rotary meetings are a safe place and time for all to share their personal experiences on diversity, equity, inclusion and belonging.

If you are interested in presenting your DEIB moment to our membership during a Club meeting, please contact Ann Knell to sign up and schedule a date to share your DEIB moment.

HOLIDAY FOOD BASKETS

FOR NEEDY FAMILIES

We delivered 30 food baskets for Thanksgiving and are planning on delivering 30 for Christmas. We are only able to do this project through your generosity. Again this year we are asking members to contribute if at all possible.

We need to raise \$3,500 to be able to feed the families that we are projecting.

If you would like to make a donation, please see Steve or Curley.

You can also mail your check to Yarmouth Rotary PO Box 448, South Yarmouth, MA 02664

Support Crutches 4 Africa

Enable disabled in developing countries to have hope, dignity, health and access

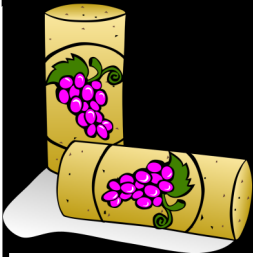

Keep aluminum out of our landfills

Cutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

Announcements

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 12 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter and we have a DEIB speaker every other week so the workload has increased.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$250—\$300 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
