#### **Helping Hands**

We continue to work on the baker square island, the town hall garden, as well as the 911 memorial at Yarmouth Police Station. Finalizing the pollination pathways project with the group. We would like to partner up with another organization and find other ways we can give back to the community, possibly to seniors.

#### **Brian Braginton Smith**

#### **Environmental**

Continue to move forward with the DY school project after the grant from state. Looking to see how we can incorporate a service project for both the club and Interact as part of one of the phases. The District and Northeast Region has also mentioned they would like to make this part of their goals and project lists.

#### **Bill Glass**

#### **New Generations**

Rising Stars have had a great start. This weeks was delayed to one of the faculty being sick but we have the remaining month all set with recipients.

Everything is going great with our exchange student Emillia "Emily". Working with DY Guidance and language departments to try and find a student to go out on exchange.

#### **Bill Lemoine**

#### **Scholarships**

We continue to get great help and nominations from DY for scholarships however there still seems to be a disconnect with Cape Tech. We are currently working with the Principal and Superintendent on this issue

#### **Holiday Party**

Annual Children Christmas Party will be held Sunday December, 11 2022. It will now be 12pm start not 1pm. Set up will be at 10:30am for Christmas Party. Try to keep to toys. Try not buy clothes or if you need to get a gift receipt.

#### **Chantel Hayes Rice**

#### **Holiday Auction**

Email has been sent out with the powerpoint slides. Please make sure all physical items are in person by the auction so that the winner can leave with them. Virtual bidders will be assisted by Interact members. Cash, Check, and Credit Cards will be accepted.

#### Joe Potzka

#### **DEIB Moments**

We have had a number of people already open their hearts and share. We have several more slated for upcoming months. We look forward and welcome any people that want to speak.

#### **Rufus Jones**

#### **District DEIB Update**

On the district level we are looked upon as a leader in the pack. We received the award last year and other clubs are using our ideas to help incorporate DEI into their meetings and weekly gatherings. We are thinking about possibly having a Spring DEI event. February Speakers have already been set up for DEI Month and we look forward to hearing some great talks.

# What is a Hate Crime?

A hate crime (also known as a bias-motivated crime or bias crime) is a prejudice-motivated crime which occurs when a perpetrator targets a victim because of their membership (or perceived membership) of a certain social group or racial demographic.

#### Terminology

**Hate Crime**: At the federal level, a crime motivated by bias against race, color, religion, national origin, sexual orientation, gender, gender identity, or disability.

Bias or Hate Incident: Acts of prejudice that are not crimes and do not involve violence, threats, or property damage.

#### Scenario - Color

Six black men assaulted and seriously injured a white man and his Asian male friend as they were walking through a residential neighborhood. Witnesses stated the victims were attacked because they were trespassing in a "black" neighborhood.

#### **Scenario - Disability**

A group home for persons with psychiatric disabilities who were in transition back into the community was the site of a reported arson. Investigation revealed that neighbors had expressed many concerns about the group home in town meetings and were angry that the house was located in their community. Shortly before the fire was reported, a witness heard a man state, "I'll get rid of those 'crazies,' I'll burn them out." Twelve persons, including patients and staff, suffered second and third-degree burns.

#### Scenario - Ethnicity

Two Palestinian university students speaking in Arabic were attending a department reception when another student, a white male, deliberately bumped into one of them. When one Palestinian student said, "Hey, watch where you're going," the white student responded by saying, "I'll go wherever I want. This is my country, you Arab!" The aggressor proceeded to punch the Palestinian student in the face.

#### Scenario - Gender

A man entered a community college and shot and killed a female in a corridor. He then entered a classroom with 10 women and 48 men, fired a shot into the ceiling and said, "I want the women! I hate feminists!" He sent all of the men from the room, lined the women up against the wall and opened fire, killing 6 of the women and wounding the others.

#### **Scenario - Gender Identity**

A transgender woman was walking down the street near her home when three men walking toward her said, "Hey, what's your problem? Huh?" She kept walking, trying to ignore them. However, as they got close, one yelled "We don't want no queers in this neighborhood!" and a second one knocked her to the ground.

#### Scenario - Race

In a parking lot next to a bar, a 29-year-old Japanese American male was attacked by a 51-year-old white male wielding a tire iron. The victim suffered severe lacerations and a broken arm. Investigation revealed that the offender and victim had previously exchanged racial insults in the bar. The offender initiated the exchange by calling the victim by a well-known and recognized epithet used against the Japanese and complained that the Japanese were taking away jobs from Americans.

#### Scenario - Religion

Overnight, unknown persons broke into a synagogue and destroyed several priceless religious objects. The perpetrators drew a large swastika on the door and wrote "Death to Jews" on a wall. Although other valuable items were present, none were stolen.

#### **Committee Members:**

Rufus Jones, Chantal Rice, Phil Morris, Andrea Taylor, Jackie Carnevali, Curley Carey, Paul Chatelain, Joe Potzka, Pat Armstrong & Bruce Gordon

DEIB con't from previous page.

#### Scenario - Sexual Orientation

Five gay, male friends, some of whom were wearing makeup and jewelry, were exiting a well-known gay bar when they were approached by a group of men who were unknown to them. The men began to ridicule the gay men's feminine appearance and shouted "Sissy!" "Girlie-men!" and other slurs at them then escalated to physically attacking the victims, rendering them unconscious.

Source: https://www.justice.gov/hatecrimes/learn-about-hate-crimes

Psychologist Bernard Golden, author of Overcoming Destructive Anger: Strategies That Work (and founder of Anger Management Education in Chicago) states hatred has to be learned. "We are all born with the capacity for aggression as well as compassion. Which tendencies we embrace requires mindful choice by individuals, families, communities, and our culture in general. The key to overcoming hate is education: at home, in schools, and in the community."

As a community of Rotarians, how are we addressing signs of hate we encounter during our life journey? Do we just ignore it or engage in some form of conflict resolution with those who spew acts or behaviors of hate?

COVID & CORKS—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our

environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. KEEP THOSE CORKS COMING!!!!

#### **CAPE COD BRITE LIGHTS**

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

#### Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at **Capecodbritelightsinc.com** and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

#### **Crutches For Africa**

#### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
