THE ROTARY CLUB OF YARMOUTH, MASSACHUSETTS

SERVING OUR COMMUNITY AND THE WORLD FOR 30 YEARS

BOX 448, SOUTH YARMOUTH MA 02664

MEETINGS: FRIDAY, 7:00 AM, HEARTH 'N KETTLE, SO. YARMOUTH

T-G-I-F-I-Y

PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 33 No. 29

February 3, 2023

The Main Event

Guest Speaker Lisa Guyon, Executive Director from WECAN – Lisa spoke regarding the history of WE CAN and what the organization does. Since 2001, WE CAN has supported and empowered women going through life transitions and challenges. They serve women of all ages providing unique, free services, referrals and resources to help foster independence and create lasting positive change.

WE CAN had its beginnings in the Cape Cod Community College program called Women in Transition (WIT), which was designed to help women of all ages and demographics improve their lives through education. When the program ended in 2000, several individuals realized the need was still there. They met and formulated what became WE CAN – Women’s Empowerment through Cape Area Networking.

In their first year, 2001, WE CAN helped 15 women, providing guidance and options, including: How to get back to school; Connections to volunteers for mentoring and support; Helping to complete forms for emergency assistance, Financial aid for education, Job applications; and Information and Referrals to other organizations on the Cape. Legal consultations provided by volunteer attorneys began.

By 2011, their 10th anniversary year, they were serving approximately 1,200 women a year with a broad range of programs and services. Thanks to a committed base of donors and supporters, WE CAN had

achieved financial stability and began to expand services to include a financial empowerment program and additional work and career support services.

Two years later, in 2013, following a highly successful capital campaign, they moved into a permanent home on Route 28 in Harwich Port with a sign prominently displayed for all to see. This increased visibility and the growing awareness of WE CAN’s effective work across the Cape community drove tremendous growth in the number of women served year over year. During this period, they began offering personal development workshops, and the PathMaker’s mentoring program expanded.

By 2015, WE CAN was serving more than 2,000 women a year and handling more than 11,000 calls and walk-in visits from women on Cape Cod. They began to bring our programs to the Upper Cape through a partnership with the Falmouth Service Center as well as expanding services to Hyannis. Organizational growth necessitated an expansion of our building and upgrades to technology.

They celebrated their 20th anniversary in 2021 and has continued to meet increasing demand for our services from women across Cape Cod. With a strong staff and board of directors leading the way, they’ve built deep and strategic partnerships in different regions of the Cape, grown their network of generous and committed volunteers and supporters, and expanded their programs to meet the changing needs of women in our community. WE CAN now serves more than 2,400 women each year across Cape Cod, providing free and confidential legal services, employment and business support, financial empowerment, mentoring, and personal development programs.

More than 70% of our participants access more than one service at WE CAN.

For more information, visit <https://www.wecancenter.org/>.

DEI Moment – Phil Morris spoke regarding Martin Luther King, Jr. and a speech that he gave that impacted his life going forward.

LEO CLUB RECYCLING PROJECT

My name is Annmarie Rita and I am the Math Department Head and LEO Club Advisor over at the High School.

The LEO Club is looking to the other schools in the district to help us reach our recycling goal. We have set a goal to collect 500 lbs of plastic bags and wrap by April 15th. I have attached various informative brochures that describe our Program.

So far, we have had huge participation at the high school, including our cafeteria staff who are recycling all their bread and hamburger bun bags. Staff are also collecting at home and bringing in garbage bags full daily! (To date, we have collected 175 lbs)

We will not reach our goal without more community wide help!

I have three extra collection bins that I would love to place in either the main office or teachers lounge areas at your schools. I also can make photocopies of our flyer and put in staff mailboxes. I would really appreciate your help in making this happen!

My hope is that your teachers/support staff and cafeteria staff would place all their plastic bags and wrap in the collection bins until April 15th.

Please see the flyer further in the TGIFY.

Thank you for your help!

Yarmouth Rotary has volunteered to run the Cotton Candy Booth for the Carnival and we are looking for volunteers to help with this. For more information or to volunteer please reach out to Hollie Handrahan at 508-648-8587 or email at hhandrahan@redjacketresortbeach.com

The Yarmouth Chamber of Commerce in partnership with the Yarmouth Recreation Department will be having its Winter Carnival from Saturday, February 18th - Monday, February 20th at Skull Island (Bass River Sports World) in South Yarmouth (weather permitting).

The Winter Carnival will have an outdoor synthetic ice skating rink, Kono Pizza and Veteran's Lunch Box food trucks, Meatball Bombs, Papa Gino's, s'mores fun, and family-friendly activities that everyone of all ages can enjoy! Family-friendly activities include a petting zoo, face painting, a balloon artist, hula hoop & fire show, stilt walkers, a caricature artist, magic shows, a live performance by the Drumming Nomads, and craft vendors!

Ice skating registration will open on Monday, February 6, 2023.

A schedule of events will be available soon!

Looking to get involved with our 2023 Winter Carnival?

If you want to be onsite at Skull Island (sell merchandise or have an activity booth), please fill out an [application form](#).

If you want to host an event, discount, or special at your business (note: your business must be located in Yarmouth), please [click here](#).

If you would like to volunteer at the event, [click here](#).

DEIB Information Corner

The Failure of DEI | Industrial Complex: Actions Our Rotary Club is Taking to Address This Concern

As we begin to celebrate Social Justice and Conflict Resolution month in Rotary, the DEIB committee would like to share the attached article from The Harvard Business Review which speaks to the need for continual deep cultural competency training to have an effective DEI understanding in all organization. A one-time Diversity Training is like does not have the long endurance impact needed for all of us to appreciate the difference among those who are not within our own orbit. DEI awareness and training must be engrained in all that we do so the effect is long lasting well after a brief presentation of class. It have been almost a year since the DEIB committee began hosting DEI moments, speaker engagements and now a DEIB weekly article to help enlighten all of us. We invite you to read the article as we began a series of diverse speakers this month that leads to a conversation on how we can advance our engagement beyond just our own one-hour weekly meetings. We would love to hear from you.

Harvard Business Review Summary

Despite the increase in organizations adopting DEI initiatives and the proliferation of DEI firms and practitioners, the big, poorly kept secret is that the majority of these initiatives are less effective than many make them out to be. On the one hand, there is a lack of standards, consistency, and accountability among DEI practitioners. And on the other, organizations keep asking for, and funding, interventions that don't work. This phenomenon that purports to end inequity but instead sustains it at great cost to marginalized populations is called the DEI-Industrial Complex. To end it, the author, a DEI practitioner, provides four actions for organizations and DEI practitioners to take: 1) Identify DEI challenges before prescribing DEI solutions, 2) find the right specialist(s), 3) measure not only inputs, but outcomes, and 4) have those doing the work inform the budget for it.

Announcements

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

MEALS ON WHEELS

- Feb. 7—Dr. Tom Tomasik & John Gilligan
- Feb. 14—Dr. Bruce Gordon & Chantal Rice
- Feb. 21—P at Armstrong & Sally Bowles
- Feb. 28 - Steve & Jill Albright
- March 7—Bill Lemoine & Ken Knell
- March 14—Rafi Chaprut & Phil Morris
- March 21—Joe Potzka & Tom Deltz
- March 28 –Mike Duffy & Ken Livingston

Substitutes Steve Albright or Frank Mastromauro
 Meet at the Yarmouth Senior Ctr.

Cereal

Syrup
Tuna Fish
Soup
Instant Potatoes
Nutri-Grain Bars

Drop your donations off at the Pantry Mon—Thurs. 10am to 12 noon.

Mail check donations to Yarmouth Food Pantry, PO Box 982

West Yarmouth, MA 02673

RECYCLE beyond the BAG

WITH THE DY LEO CLUB!

Recycle your household bags and wrap into Trex's earth friendly composite decking and railing!

What can be recycled?

All plastic must be clean, dry and free of food residue

Grocery bags

Bread bags

Bubble wrap

Dry cleaning bags

Newspaper sleeves

Ice bags

Plastic shipping envelopes

Ziploc & other recyclable food storage bags

Cereal bags

Case overwrap

Salt bags

Pallet wrap & stretch film

Wood pellet bags

Produce bags

The DY LEO Club has set a goal to collect 500 lbs of plastic bags and wrap by April 15th.

We need your help to meet this goal!

Bring your plastic to the Dennis-Yarmouth Regional High School main entrance for collections during these weeks:

February 13 - 17

March 20 - 24

April 10 - 14

When we meet our goal, Trex will provide our school with a composite bench to enjoy for decades!

For more information: LEO Club Advisor, Annmarie Rita ritaa@dy-regional.k12.ma.us

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our club.

MEMBERSHIP – As with any organization the membership is the lifeline and strength of it. Without an involved membership, we cannot continue to do the many projects and activities that we currently do.

When you look at our membership information and most of this is shown on the numbers below, you will see our number of members has dropped from 86 On July 1, 2019 to 75 on July 1, 2022. As of Jan 1, 2023 our current number of members stands at 72. This is a drop of 14 members over the last 4 ½ years. A trend cannot continue.

MEMBERSHIP TRENDS:

July 1	2018-19	2019-20	2020-21	2021-22	2022-23
	85	86	83	76	75

AGE TRENDS:

	2018-19	2019-20	2020-21	2021-22	2022-23
29 and under	0	0	0	0	0
20-39	6	3	5	5	2
40-49	6	9	7	8	8
50-59	14	14	11	10	10
60-69	24	18	17	17	16
70 and over	36	38	33	35	36

If you break the last two groups down a little farther, you will see that between the age of 60 -64 there are 5 members and between the ages of 65 -69 there are 11 members.

If you look at 70 -79 you will see 20 members, 80 – 89 you see 14 members and 90 plus you will see 2 members. We are an older club and getting older. We only have a total of 10 members under the age of 50 in our club.

MALE vs. FEMALE: Part of Diversity, Equity and Inclusion

	2018-19	2019-20	2020-21	2021-22	2022-23
Female	25	22	20	24	23
Male	61	61	56	51	49

Currently 32% of members in our club are female. This is actually right in line with Rotary Internationals membership totals. The only reason this percentage has increased since 2019 is because we lost 12 male members, not because we brought in more females. Unfortunately, we or Rotary International don't track any other types of membership categories, so we don't have any numbers that tell us how we are doing in our club in the other areas of diversity. You can look around the room on Friday morning and see for yourself how we are doing. Not too good.

I share these numbers and information with you to tell you that we as a club are not in a great position as far as our membership goes. This is not my problem, this is not our membership committee's problem, this is not our leaderships problem. This problem belongs to all of us. If we want to stay as the large and influential club that we are, making a difference in our community and in the world, we need to do something about membership growth. Young membership growth.

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

Leg Braces

Crutches

Forearm Crutches

Walkers

Wheelchairs

Prosthetic Limbs

Baby Joggers & Strollers

Bike Trailers
