Executive Director—Susan Johnson

Susan Johnson comes to the Needy Fund with over 25 years of experience managing organizations in Chicago, Boston and Sydney, Australia. She grew up in Yarmouth Port and returned home to the Cape in 2007 to raise her children and care for her aging parents. It was at this time that Susan cemented her career in nonprofit management, leading organizations such as HB&RACC, HECH, Cape Cod Village, and the Cape Cod Museum of Art. She is also the Co-Founder of Katelynn's Closet, a 501c3 nonprofit providing clothing to children in need on the Cape & Islands. Susan has been with the Needy fund for 1 year. In 2022 received 7500 requests and 4300 were helped with financial assistance. Needy Fund goal is to provide basic human needs to Cape and Island residents during traumatic events. They provide funds for a one-time event in emergency needs. They are there for Cape Codders when you need them. If they cannot provide funds, they assist and refer you to organizations that may be able to assist you. 90% of all donations go right back into the fund, as well as money is paid direct to vendor, no money given directly to clients.

Maura Healey

Announcements

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

Amber Hidalgo Our January Rising Star from Cape Cod Tech School

Amber is the top student in her class and she is enrolled in the Dental program. In addition, she plays girls softball.

MEMBERSHIP – As with any organization the membership is the lifeline and strength of it. Without an involved membership, we cannot continue to do the many projects and activities that we currently do.

When you look at our membership information and most of this is shown on the numbers below, you will see our number of members has dropped from 86 On July 1, 2019 to 75 on July 1, 2022. As of Jan 1, 2023 our current number of members stands at 72. This is a drop of 14 members over the last 4 ½ years. A trend cannot continue.

MEMBERSHIP TRENDS:

July 1	2018-19	2019-20	2020-21	2021-22	2022-23
	85	86	83	76	75

AGE TRENDS:

	2018-19	2019-20	2020-21	2121-22	2022-23
29 and under	0	0	0	0	0
20-39	6	3	5	5	2
40-49	6	9	7	8	8
50-59	14	14	11	10	10
60-69	24	18	17	17	16
70 and over	36	38	33	35	36

If you break the last two groups down a little farther, you will see that between the age of 60 -64 there are 5 members and between the ages of 65 -69 there are 11 members.

If you look at 70 -79 you will see 20 members, 80 – 89 you see 14 members and 90 plus you will see 2 members. We are an older club and getting older. We only have a total of 10 members under the age of 50 in our club.

MALE vs. FEMALE: Part of Diversity, Equity and Inclusion

	2018-19	2019-20	2020-21	2021-22	2022-23
Female	25	22	20	24	23
Male	61	61	56	51	49

Currently 32% of members in our club are female. This is actually right in line with Rotary Internationals membership totals. The only reason this percentage has increased since 2019 is because we lost 12 male members, not because we brought in more females. Unfortunately, we or Rotary International don't track any other types of membership categories, so we don't have any numbers that tell us how we are doing in our club in the other areas of diversity. You can look around the room on Friday morning and see for yourself how we are doing. Not too good.

I share these numbers and information with you to tell you that we as a club are not in a great position as far as our membership goes. This is not my problem, this is not our membership committee's problem, this is not our leaderships problem. This problem belongs to all of us. If we want to stay as the large and influential club that we are, making a difference in our community and in the world, we need to do something about membership growth. Young membership growth.

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
