The Main Event

Marine Lt Colonel Frank J Mastromauro

The Marine Corp aligns well with the Rotary motto of Service Above Self. Frank joined Marines 18 years ago to give back to this great nation. He was adopted at 3 months old from Mexico by Frank and Jan Mastromauro. He met his wife at Boston University.

In 2008 he did OCS in Quantico. 1 year later he was in Afghanistan. For the beginning of his deployment there, there was a lot of fighting. There was a market outside their camp that was closed due to the Taliban. With his units help they were able to help get it back open and give stability back to the people of Afghanistan. He and the troops with them always volunteered to do projects in the villages to help the local people there.

He spent a 10 1/2 month deployment on a Navy ship. Every port they went to they did community outreach. From reading to kids, teaching them English, or helping paint and work on houses and schools. The number of enlisted soldiers that signed up to do these things outweighed their availability.

He spent 3 years at Paris Island training recruits. During the third round of recruits he encountered a recruit who said no to cleaning up a mess. It was the first time any recruit ever said no. (Actually the recruit did not put it that way). He took a step back and realized that the kid was young and maybe didn't understand what he was doing. The recruit ended up being top of his class.

He traveled all over the world. What he learned is that there are so many countries that are working to create lasting impact and that there are still many places that need help.

Thank you for your service Lt. Col. Mastromauro. Great luck on your next year at the Naval War Academy in Newport.

Crutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project,

Joe Potzka has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station. You can also reach out to Joe if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

Newsletter Fall 2025

Cape Cod Brite Lights is now five years into our purpose of Helping Cape and Island Residents. We started with weekend nutrition for thirty elementary school children. This has grown to over 60 students who are provided with healthy options for weekend nutrition.

Our next outreach was to provide hygiene for high school students. This grew to include both the Dennis Yarmouth High School and Cape Tech High School and again grew to include two of the elementary schools.

A need for shoes for graduating seniors was identified and we were able to assist. This fall, the need for building blocks, whiteboard markers, glue sticks and binders was identified and again, Cape Cod Brite Lights was able to help. Also identified was a need for Kleenex and disinfection wipes, something teachers had been purchasing with their own funds. Cape Cod Brite Lights was again able to help out.

Additionally, we continue to support the Yarmouth Chamber of Commerce and the Yarmouth Police Department with gift cards to local grocery stores. These help those in need who could just use a little boost.

With the holiday season fast approaching, Cape Cod Brite Lights will be assisting the Yarmouth Rotary Club in providing holiday meals for both Thanksgiving and Christmas to families identified by the schools as needing help.

All this would not be possible without the generous support of our donors. With our all-volunteer workers, 100% of your donation goes to help others. We thank you for your continued support as Cape Cod Brite Lights continues to search for ways to help our fellow Cape Codder's.

Thank you

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
