PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 36 No. 01

July 11, 2025

## The Main Event

A video was played of the speech that the incoming RI President Francesco Arezzo gave at the recent Rotary International Convention in Calgary, Canada. Below is the release by Rotary International about his selection.

### Francesco Arezzo of Italy selected to be 2025-26 Rotary International President

Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025-26. Arezzo will become president on 1 July.

The Board conducted a special session following the unexpected resignation of [RI President-elect Mário César Martins de Camargo on 8 June](#). Guided by the RI code and policies, the Board selected the new president-elect from a pool of candidates who were considered by the Nominating Committee for President of Rotary International in August 2023.

The 2025-26 presidential message, announced at the 2025 Rotary International Assembly in February, will remain [Unite for Good](#), which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

Arezzo is an orthodontist in private practice. He is active internationally as a member of the Italian, European, and American orthodontics associations. He is vice president of the National Association of Italian Dentists for the province of Ragusa and was the founder and head for seven years of the delegation for Ragusa of the National Trust for Italy. He is a Knight of Honor and Devotion in Obedience within the Sovereign Order of Malta.

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Arezzo is a Major Donor and Benefactor of The Rotary Foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

**2 New Members Initiated:** President Jim Seymour initiated two new members into our club. Patty Stocker is the Executive Director of Cape Cod Media. She is a recent returnee to Cape Cod and is looking to become involved with the club and the community. Patty was sponsored by Paul Chatelain.

Ryan McCloskey is the owner of Cape Save Inc. Cape Save specializes in home insulations and weatherization solutions for homeowners on Cape Cod. Paul looks to become involved in the club and make a meaningful impact in our community. Ryan was sponsored by Karina Polk.

Welcome to both new members, we are glad to have you join our club.

**Cutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project,

Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

**COVID & CORKS**—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks to be recycled and then upcycled.

Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to

these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Carol Woodbury who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

**The Rotary Foundation:**

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Ask a relative, a friend, a neighbor, a business associate or a co-worker to join us so we all can do more in our community and our world.

## **Crutches For Africa**

### **A Continuous Project by Yarmouth Rotary Club**

**Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.**

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
