PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 29 No. 2

July 12, 2019

## The Main Event

**Guest Speaker Jill Talladay**, Executive Director, Care for the Cape & Islands - Roby Whitehouse introduced our guest speaker, Jill Talladay, the Co-chair of the Yarmouth Recycling Committee. The mission is to provide annual grants with the focus on preserving and protecting the natural environment, cultural and historical treasures of the Cape and Islands. There are many requests for helping to alleviate the issue of litter and marine debris. Take Care organized a summit in a collaboration with other organizations on the Cape in an effort to share ideas in various breakout sessions and best practices. The results: working groups to figure out how to encourage businesses to adopt cleaner and greener business practices, including:

1. Cooperative Purchasing
2. Beach Clean UPS
3. Litter Awareness
4. Municipal Laws, Rules, & Regulations.

A campaign has been developed to communicate without commanding and the idea is to create a culture of caring.

The top 5 issues of concern are:

1. Single Use Plastics
2. Carry In/Carry Out
3. Run Off Aquifer
4. Cigarette litter
5. Dog waste
