Dick Corsini spoke about his involvement in a group at CC Community College that raises money for scholarships. He along with numerous members of our club are involved. He then introduced our guest speaker Ernie Oliveria who spoke on Advocacy for a Community College Education and the group involvement. They group has been in existence for 4 years and has awarded 12 scholarships so far. Scholarships are usually for 50 % of the cost of a 2 year education. He also spoke about the mentoring system they have in place for each of the students and how they work with each of the students to ensure they are successful in their education.

Jackie Carnevali gave an update on our school in Matka. She spoke about our partner club in Hyderabad and the 80 new desks the school received. In addition Matka was approved to add another grade to the school this year which means we will be adding Grade 8 to the school. Matka was one of only a few schools approved to add a new grade and increase the number of students at a school. She also spoke about the Bore Well and the new Kitchen Shed that were constructed and the "Puja" that was performed to bring good luck and thanks. In addition Navionics foundation has adopted a nearby orphanage and the children living there are now attending school at Matka.
