PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 27 No. 2

July 21, 2017

## The Main Event

### **PROGRAM: JOHN COOKE, MANAGING THE ROTARY DIGITAL AGE**

John Cooke, Public Image Director, walked through aspects of the Yarmouth Rotary digital access for Club members. He touched upon • the Club's Facebook page and website, • checking in, • Rotary Club Central, • Board access, • Club Runner, • District 7950 website, and sequences of logging in. Among the resources under the heading of Club Documents are the Club Bylaws and the application form for sponsoring new members.

John Loukes suggested using MyRotary to reach Rotary.org. Jim Saben added a reminder that members should update their personal information after checking in. Tom Tomasik added emphasis to that recommendation on profile management with the observation that 12 Club members are noted as "genderless," since they seemed to have skipped over that "pronoun thing."

**Foundation Fact:** In 1988 there were 250,000 new cases of Polio identified in the World. Thanks to the help of Rotarians and the Rotary Foundation only 5 new cases of Polio have been identified for the first 6 months of 2017. We are so close.

Happy Birthday!!!

**THINK  
GOLF TOURNAMENT

**Rotary Dues:** Invoices for this year's dues were emailed this week to all members. Please submit your payment as soon as possible. If you wish to pay by credit card, please see our Treasurer, Liam Butler at the next meeting.

**Rotary Fact: Recreational & Vocational Fellowships:** From stamp collecting to wine appreciation, the hobbies of Rotarians are as diverse as the membership itself. Yet, among the more than one million Rotarians worldwide, an amateur radio enthusiast or a chess player is bound to find others who share the same passions. But recreational fellowship members share more than just their common interest in sport diving or Esperanto; they share an interest in fellowship and service and in promoting world understanding. As such, it is no wonder that the International Skiing Fellowship of Rotarians donates the profits from ski events to The Rotary Foundation or that the Flying Rotarians help ferry medical personnel and supplies. One has only to look at the types of Vocational Fellowships to recognize how they differ from their recreational counterparts. With Rotarians united by their shared professional interest in such fields as Hospital Administration and Finance/Banking, it's obvious that Vocational Service is as important a concern as international fellowship to the members of these groups. Members exchange technical information and seek opportunities to employ their expertise in service not just to their own communities and countries, but to their professions as well. For example, the Ophthalmology International Vocational Fellowship organized a professional seminar on the subject of eye surgery in developing countries. You can find the complete list of Rotary Fellowships on my Rotary.com.
