The Main Event

Guest Speaker Kristen O'Malley – Kristen is the President & CEO of the Cape Cod Foundation. Kristen spoke to the club about some of the new things going on at the Cape Cod Foundation. Most people love the beaches, tranquility, family, and more. The idea of the foundation is to keep what's special about Cape Cod special.

The Cape Cod Foundation is a community foundation that exists for one single reason: to strengthen and enrich our community. “We do this by building resources and then investing those resources back into the community. Where they belong. Where they'll do their best, both for now and the future.” “The Cape Cod Foundation does this in two ways: “We help other people create charitable funds that, when pooled and invested wisely, generate revenue for scholarships to local students and grants to nonprofit organizations.” Cape Cod Foundation builds, invests, and uses their discretionary funds to bring additional resources to the community: more scholarships and

grants, plus a variety of other initiatives with broad regional impact.

The Foundation was established in 1989 with a single \$10,000 scholarship fund. Today, they manage over 800 funds. Our assets now exceed \$65 million; since inception, we have distributed more than \$80 million back into the community. Over the past three decades, we have become deeply entrenched in the community and the nonprofit sector. We know where the needs and the challenges are. We also know how to build partnerships and leverage resources to meet them. There are more than 850 community foundations in the United States and the Cape Cod Foundation serves as our local foundation.

Responding to COVID – Because of the changes they have been making over the past few years, it was natural for the organization to step into an emergency response role, and they established a fund in March 2020. They raised over \$3, and distributed over \$2M in grants to over 50 organizations. The distributions were focused on basic human needs, including food, housing utilities. Now, as we have shifted from the immediate needs of the pandemic, that there is a shift to mental health and other needs. With a 32-year history, they were able to quickly leverage existing relationships to do a better job serving the onsite community. About 50% of the funds raised were from other foundations or other corporate partners. There was more discretion about use of funding.

Access was a huge barrier to service i.e. the food pantries had the food, though people had issues accessing it. Their goal was to get information and resources to people.

What is new? “We have been able to build on existing and new partnerships to move to a place where the grant program and education plans are accessible to more people in the community. One of the silver linings of COVID is that we are one cape cod and care for one another.” There are 3 more members on the staff, so a 1/3 of the staff is new to the organization during COVID. There are a number of new grand programs and funding opportunities.

How can we partner?

Golf Tournament Update – Jim Seymour updated the club that we are finalizing the details. It will be a shotgun at 1, dinner following. Lunch will be at 11:30. Registration will be online this year and make for ease of registration and a variety of ways for people to pay. The hardest part of this tournament is data and payment management. This online system will help streamline the process. For volunteers – we will be putting out job descriptions and timeframes for people to be able to sign up to help. Our goal is to raise \$35,000. We need a minimum of 90 golfers. The brochure will be finalized once we peg down a few more costs and details.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
