PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 34 No. 4

July 28, 2023

The Main Event

Police Chief Kevin Lennon was our speaker for the week. His topic was:

Yarmouth Police Recruitment - Why Diversity Matters

Chief started in 1991 in policing and the hiring process has come a long way.

Why diversity in law enforcement matters:

Diversity within law enforcement agencies is defined not only in terms of race and gender, but also other characteristics including religion, sexual orientation, gender identity, language ability, background, and experience, all are critically important tools to build trust with communities,

Research has shown that increased diversity – enables officers to be more introspective, promotes a culture of open-mindedness, improves community relations, and has a positive influence on the overall agency.

Despite their effort, law enforcement agencies of all sizes have not always been successful in recruiting and attracting individuals that reflect the communities that they serve. Recruitment issues that they face include, Community members from diverse groups may not be aware of the career opportunities, strained police/community relations, and the climate in policing today – “defund the police movement” that we have seen over the past few years.

Additional barriers are retention. Some individuals have difficulty adjusting to the law enforcement culture. Hiring practices have a complex and costly application/testing process. Costs associated with attending the training academy and law enforcement agencies may be limited in their ability to modify or adjust the hiring/selection criteria.

Yarmouth Police has taken proactive measures to increase our recruitment efforts, a policy that allows flexibility in the hiring process such as no exam, a rolling application process. We have increased and improved our recruitment plan with things like a new recruitment video, increased social media presence, plans for an open house for interested applicants, attending job fairs, investing in training on best practices for recruitment strategies and a realistic explanation of what the job entails.

In the past there was a certain look to what a police officer should be as well as specific requirements for facial hair, height, tattoos, etc. It was figured out that diversity brings experiences and helps to ensure that the police force represents members of our community.

Yarmouth Police is made up of 92% of people who identify as white, 3% people of color, 2% Latinx and 3% Asian. In addition, 93% of the officers are male and 7% are female. We need to do better and keep looking for ways to increase the diversity of our officers.

Moving Forward: The Yarmouth Police Department is committed to recruiting and hiring a diverse workforce that will provide the highest level of public safety to our community.

Vocation Service Awarded – Chairman Steve Albright presented the 2023 Vocational Service Award to Carol Woodbury. In presenting the award to Carol, Steve quoted from all six of the supporting letters that were received with her nomination for the award. One of the most common remarks in the letters and by other people was that no matter what event it was, sports, music, drama, awards presentation there was, Carol was always there.

Carol was presented with a plaque that reads:

The Dick Appleton Vocation Service Award – Presented to: Carol Woodbury – Superintendent

In recognition of Outstanding Dedication, Excellence and Service to the Students of the Dennis Yarmouth Regional School District.

The Students, their Families, the Faculty and the Dennis Yarmouth Regional School District Greatly Appreciates the Hard Work, Dedication, Professionalism, and the Leadership that you have provided to them as Superintendent of the Dennis Yarmouth Regional School District.

Presented by The Rotary Club of Yarmouth, MA 2023

Frank Mastromauro – Co-Chairman of the Good Works Committee gave a report and update on the committee.

Frank introduced his co-chair Rafi Chaprut and the members of the committee.

He explained how the program works and the process to get an award approved. HE also said that applications were available from him, or they can be found on the club runner web site.

This Tuesday there will be a cookout at Champ House at 4 PM. If you are interested, please show up.

PREORDER TODAY LINKTR.EE/FAMILYDIVERSITY

I am currently reading **Authentic Selves** shared by District 7950 DEI Committee. The stories in the book highlight the genuine love and authentic identification across Trans and Nonbinary people and their families. As we travel this journey called life, we should continue to grow in our understanding of the world around us and among us. These are not individual stories but family and community stories. An exhibit is being planned at the Sturgis School in Hyannis during the 2024-25 school year. If we hear of other neighboring exhibits in New England, we will share this information.

Peggy Gillespie from the Family Diversity Project has traveling photo exhibits that are available for loan. The Family Diversity Project has a sliding scale cost that starts at the shipping cost, and photos can be loaned for a month.

The exhibits are very diverse (hint the title) right now, the most popular and newest one is the *Authentic Selves* exhibit that celebrates trans lives. They also have the following:

- Building Bridges: Portraits of Immigrant Families
- In Our Family: Portraits of Many Kinds of Families
- Love Makes a Family: Portraits of LGBT Families
- Of Many Colors: Portraits of Multiracial Families
- Nothing to Hide: Mental Illness in the Family
- The Road to Freedom: Portraits of People with Disabilities
- We Have Faith: LGBTQ Clergy and People of Faith Speak Out

Sturgis is planning to host an exhibit during the 24-25 school year, so we hope you all come ~ but someone else may want to bring some of these beautiful portraits to the Cape before then!

Check out the link for more information. The book is available on Amazon and less than \$20.

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
