The Main Event

Guest Speaker Jim Seymour, Cape & Islands Veterans Outreach Center – Our own Jim Seymour was the guest speaker today and discussed the accomplishments of the Cape & Islands Veterans Outreach Center. One of the biggest accomplishments has been the opening of the Dennis House for five homeless veterans during the global pandemic through perseverance, community collaboration and public and private funding. There are a total of 15 housing units they own. They deliver wrap around case management support to the veterans they serve. They were able to deliver over \$160K in benefits to 86 veterans and 22 families, with 471 referral interviews. They also operate a food pantry that serves 2,013 individual veterans registered at the food pantry, with the goal to expand to other towns. They have also completed 347 holistic therapy sessions at the Grace Center in Mashpee. In terms of outreach, they have made contact with more than 22,000 contacts and conducted nearly 1,000 counseling sessions.

The Current Landscape – Cape Cod veterans comprise 6% of all veterans in MA, but received 2.6 of the DVS budget, so there is a gap in funding. Veterans comprise nearly 9%, or more than 19,000, of the total population of Cape Cod.

In the organizations fiscal year 2022, they are focused on expanding services to help more veterans and their families on the Cape & Islands. The top priorities remain the housing, food pantry, counseling, and outreach programs. They are seeking to expand services across towns on the Cape and Islands, including Sandwich, the Vineyard, Harwich, and others.

Jim stated that the organization has proven fiscal responsibility with \$0.91 of every \$1 used in direct support of veterans support. “Quite often, the individuals that come to us have exhausted every other opportunity, including family, and we are there to help get them back on their feet. We find the resources and support to help these individuals.” The goal is to make these residents self-sufficient and to continue mission-driven activities to move in the right direction. Residents are given leases and the evaluation is ongoing to make sure it is still a fit.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
