PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 32 No. 2

July 9, 2021

The Main Event

Installation of Officers: The installation of Officers was held on Friday July 2 as part of our regular meeting. Master of Ceremonies was PDG Steve Albright.

Steve thanked the outgoing officers and thanked them for their service to the club and community. He then officially discharged them of their duties. The officers included Gerald Carey, President; John Gilligan, President-elect; Roby Whitehouse, Vice President; Mary Lenihan, Secretary; Paul Chatelain, Treasurer; Mary Vilbon, Director; Jim Seymour, Director; Jill Albright, Director; Jackie Carnevali, Director; Ann Knell, Director, Bud Nugent, Director and Mike Duffy, Sgt. at Arms. In addition, he thanked Rafi Chaprut, Allison McEachern and Frank Mastromauro for their service in previous years. They were not able to be properly thanked due to COVID effecting our installation last year.

Steve then installed the following as Officers for the Rotary year 2021-2022. John Gilligan, President; Roby Whitehouse, President-elect; Jill Albright, Vice President; Mary Lenihan, Secretary; Steve Albright, Treasurer; Rufus Jones, Director; Lou Preziosi, Director; Mary Vilbon, Director; Jim Seymour, Director; Jackie Carnevali, Director; Bud Nugent, Director and Gerald Carey, Immediate Past President.

PDG Barry Clayman performed the exchange of the banners which officially changes the RI Presidential theme from one year to the next. He removed last years banner and presented it

to outgoing President Curley Carey and then hung this year's theme banner which is "Serve to Change Lives". Throughout the banner exchange Barry spoke about service and how each theme represents our service above self, our service to our communities and our service to the world community.

Outgoing President Curley presented a Service Above Self award to Steve Albright for everything he did to help the club during COVID. In addition, he presented Treasurer Paul Chatelain with the Rotarian of the Year award for 2019 – 2020 and he presented Roby Whitehouse with the Rotarian of the Year award for 2020 – 2021. Curley also announced longevity of service awards to Tom Ulrich for 58 years of Rotary Service and Bob Wells for 54 years of Rotary Service.

Newly installed President John Gilligan presented the Past President's gavel award plaque and past president pin and badge to outgoing President Curley Carey.

Curley gave a final speech thanking everybody for their help during the past two years and spoke about his likes and devotion to Rotary.

John Gilligan gave his first Presidential speech talking about this year's theme "Serve to Change Lives". He spoke about his two-minute talk when he was initiated into the club. He was greeted by many familiar faces from the community. Faces of those who had impacted his life as a young child, a teenager and a young professional in business. He said, I knew I wanted to be part of this organization called Rotary, even though I didn't know a whole lot about it. Over the last 14 years, I have been able to serve with them and so many more members of the club.

He then discussed the annual goals that he has set for our club for the coming year. He said he worked with Roby and Jill in developing these goals and hope we as a club will be able to meet or exceed them.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
