The Main Event

Steve Kelleher - Mass Maritime

Advanced Studies and Leadership Program (ASLP)

Partnership with Mass Maritime and the Cape Cod Collaborative for over 22 years. This year they have 230 students, the largest class ever.

The ASLP is a 2- week summer college like residential experience. It emphasizes leadership and project orientated instruction in stem and the humanities for high achieving 7th and 8th graders prior to their 8th and 9th grade transition.

Emphasis is on hands-on learning. Students have access to state-of-the art facilities at Mass Maritime including science labs, pools, and gym.

They also have two social events which includes a magician and a dance. This rounds out their day that starts at 630am and goes until 10pm.

Our club has sported this program for a number of years and this year we gave 4 partial scholarships to (4) 7th graders and (1) full scholarship to one 8th grader.

Aaytah Gomes – DY Middle School Rising Star

Aayta is a seventh grader at DY Middle School. She is described as a hard worker and a leader and willing to help others. She shows critical thinking skills and shows compassion in all she does. A great volleyball player and team player.

RYLA—Rotary Youth Leadership Awards

This year we sponsored two students from DYRHS to attend the RYLA (Rotary Youth Leadership Awards) Camp at Camp Rotary in Boxford, MA. Ever since COVID and the closing of the Cape Cod Sea Camps, District 7950 has been joining with D7930 to hold a joint RYLA at the Rotary Camp in Boxford, MA. This year our club sent two students from DYRHS to RYLA. Their thank you letters are below.

FROM COLIN ENDRES:

My name is Colin Endres and I went to RYLA from May 15th to May 17th. The experience was like no other I have had before. It started in Bridgewater, where the bus taking us up was located. When I arrived, I did not know what to expect or who I would know, but that quickly changed. The bus ride up we did ice breakers and learned new things about the people we would be spending two nights with. These ice breakers broke down more walls with people and got us comfortable being uncomfortable. After we got off the bus we checked in, got assigned to a family, learned who our family leaders were and more about the members in the family. The entire weekend was very action packed. The activities all had aspects of leadership and inclusion and how to learn and listen to each other. The thing I was not used to was not knowing what we were going to do next. This was to be in the moment and stay present. My favorite part of the experience was the fire on the last night where there was no clear expectation or activity to do and we could use the skills we learned and recap on the weekend.

Thank you, Colin

FROM SKYLAR HOPKINS

My name is Skylar Hopkins and I am one of the students from DY that you sponsored to attend RYLA this past weekend. I just wanted to reach out to give a big, huge thank you for the opportunity since I had such an amazing time there. I learned so much so I just wanted to make sure you knew how much I appreciate the opportunity you gave me, that helped me create unforgettable memories and a better chance of getting even farther in my future! Thank you again and have an amazing rest of your week!!!

Thank you,

Skylar Hopkins

Crutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project,

Joe Potzka has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

GOOD WORKS EMAIL ADDRESS: The Good Works Committee has a new email address. All correspondences and applications for assistance can be sent to the new email address. In addition applications for assistance can be found on the home page of our website. The new email address is:

Newsletter Fall 2025

Cape Cod Brite Lights is now five years into our purpose of Helping Cape and Island Residents. We started with weekend nutrition for thirty elementary school children. This has grown to over 60 students who are provided with healthy options for weekend nutrition.

Our next outreach was to provide hygiene for high school students. This grew to include both the Dennis Yarmouth High School and Cape Tech High School and again grew to include two of the elementary schools.

A need for shoes for graduating seniors was identified and we were able to assist. This fall, the need for building blocks, whiteboard markers, glue sticks and binders was identified and again, Cape Cod Brite Lights was able to help. Also identified was a need for Kleenex and disinfection wipes, something teachers had been purchasing with their own funds. Cape Cod Brite Lights was again able to help out.

Additionally, we continue to support the Yarmouth Chamber of Commerce and the Yarmouth Police Department with gift cards to local grocery stores. These help those in need who could just use a little boost.

With the holiday season fast approaching, Cape Cod Brite Lights will be assisting the Yarmouth Rotary Club in providing holiday meals for both Thanksgiving and Christmas to families identified by the schools as needing help.

All this would not be possible without the generous support of our donors. With our all-volunteer workers, 100% of your donation goes to help others. We thank you for your continued support as Cape Cod Brite Lights continues to search for ways to help our fellow Cape Codder's.

Thank you

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
