## The Main Event

### Aiden Powers – President DY Interact Club

Thanks to a grant from Rotary, we were able to purchase feminine hygiene products and other toiletries. One Wednesday a month participated in Bright Lights and assisted packing bags for children who need food for the weekend. The Gingerbread Contest was not only a fundraiser, but it was also a school wide community event bringing students together. The favorite event for all was the Childrens Christmas Party. From purchasing gifts, wrapping presents, and then dressing up as elves and making cookies.

### Stephanie Riley – Advisor to Interact Club

This year was a year of trust, they had in each other and trust in her. This year was full of times when things came up and the group came together and made sure things happened. The students were able to utilize deals and took time and effort to help stretch dollars for all the kids they bought gifts for.

### Carol Woodbury – Appreciation award

It takes a village, lots of people who come together to make sure our kids are taken care of. In the new school 800 kids a day eat in the new Intermediate School. No one gets anywhere by themselves. Couldn't be prouder for the graduating class and all the students in the district. Just because she is retiring from her role in the district does not mean she is leaving Yarmouth Rotary. She will continue to be a part of our great organization.

# Layers of Diversity- Personal DNA

## DEIB -Bingo

- Now It's Time for our Year Two Capstone Project
- DEIB Bingo plays just like regular BINGO. The only difference is the themes that you need to match are related to internal (born with) and external (life after birth) impacted by diversity, equity, inclusion and belonging features found on the Diversity Wheel.
- Seek out those within the room (sorry Zoomers) and find someone who match the squares. The first to get Bingo wins a prize.
- As you look for members that match a square try to recall some of the DEIB moments shared during the past year or so.

# Announcements

**COVID & CORKS**—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

#### CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
