A TRIBUTE TO JOSEPH LAWLER FROM PHIL MORRIS & DICK CORSINI

Joe Lawler, influential friend and long-time supporter of the Yarmouth Rotary Club, passed peacefully at home on June 3, 2018 (*his birthday*) at age 97. He was the founding advisor at the level of Rotary District 7950, partnering with the leadership of the Hyannis Rotary Club in the formation and chartering of the Rotary Club of Yarmouth in June 1989. He was a Past President of the Rotary Club of Orleans (*now the Nauset Rotary*), a Paul Harris Fellow, and an Assistant District Governor. **Joe's** thoroughness, insight, and commitment to Rotary was exemplified by his organizational skill, his community cohesion insight, and his recruitment of potential members – and, in particular, the sponsorship of Orleans Rotarian, **Dick Corsini**, to be the first President of the new Yarmouth Club.

Phil Morris and **Dick Corsini**, both Yarmouth Charter members, shared their perspectives of **Joe's** positive influence on the success and growth of the Yarmouth Rotary, which is now the largest on the Cape and second largest in District 7950. **Dick** originally met **Joe** in 1981 when joining the Orleans Rotary. He emphasized that he considered **Joe** to be mentor from that time forward.

Joe also played a formative role as the District's AG Coordinator in the selection and training of the Assistant District Governors, a role that he mentored when he passed the position along to a successor, **Sally Bowles**. She was later awarded the "Dr. Percy Hodgson Memorial Award" in 2011 for her exceptional contributions in leadership, assistance, and service above self. (*Joe himself was a recipient of this award in 1997.*)

RIISING STAR: MAX HANSCOM, CAPE COD TECHNICAL HIGH SCHOOL

The Guidance Counselor from Cape Cod Tech began her introduction of Rising Star, **Max Hanscom**, by emphasizing how his personality connected with so many people and groups within the school. Helpfulness to others is one of his hallmark traits, as illustrated by several stories. Coupled with his strong work ethic, as demonstrated by his efforts in the IT Shop, **Max** has been as exceptional student; when he achieves being hired in this field, he will be arriving already prepared. She concluded, "*Max is destined to for wonderful things.*"

PROGRAM: RETURN VISIT & UPDATE, ROTARACT CLUB OF CAPE COD COMMUNITY COLLEGE

On hand for a return visit was the Rotaract Club of the Cape Cod Community College with Faculty Advisor, **Virender Gautam**, – better known as 'VG' – along with six student members. Founded in 2002, this Rotaract Club has been achieving new levels of success in fund-raising, local and international service, public engagement, student leadership, and a strong presence within R.I. and District events, as well as being sponsored by four Cape Cod Rotary clubs. It is a remarkable set of connections considering the rapid student population turnover within a two-year community college.
