PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 30 No. 50

June 25, 2021

The Main Event

Guest Speaker Ian Ives, Director at Mass Audubon's Long Pasture, Ashumet, Barnstable Great Marsh and Skunknet River Wildlife Sanctuaries – Ian's responsibilities include overall management of the sanctuaries and staff, community outreach, advocacy, environmental stewardship and education. One of his primary goals is to engage the community in Mass Audubon's mission work and expand activities at the wildlife sanctuaries he oversees. Ian has a strong background in wetland restoration and endangered species management and is leading environmental advocacy and conservation projects across the Cape to help protect rare wildlife and threatened natural resources they depend on.

Sandy beaches, butterfly-filled meadows, woodland trails, and farm animals combine to make Long Pasture a unique experience on Cape Cod. Located in Cummaquid near the former Harbor Point restaurant, there are many opportunities to engage with the wildlife.

Gentle, varied trails lead to what some have called a "million-dollar view," with Barnstable Harbor flanked by the dunes of Sandy Neck Barrier Beach. Explore our expansive tidal flats and join us for a kayak tour, boat cruise, or family nature program.

Sherman Parker donated 110 acres to the Audubon Society. He had a passion for protecting it. He gave \$1 million and the acreage along Barnstable Harbor, which includes:

- Live animal exhibits representing local rare species conservation projects in the Nature Center.
- Year-round and seasonal programs and classes, including water-based programs such as kayaking, aquatic exploration cruises, tours of Cuttyhunk and the Elizabeth Islands, and Barnstable Harbor excursions.
- A licensed nature preschool program that connects ages 3-5 to the nature of Cape Cod.
- Gentle woodland and meadow walking trails that traverse a variety of habitats in the mid-Cape.
- Many species of butterflies to observe flitting around the Butterfly Mosaic trail and bees in action in the bee observation hive.
- A Nature Play Area, seasonal interpretive bee hive, Purple Martin colony, and seasonal goat encounter programs (great for young children!).

Prior to the pandemic, they saw over 4,000 students per year at the sanctuary. They are looking forward to welcoming the students back in the years to come. The Discovery Center is nearly complete and Ian welcome all visitors!

There were many questions about the kayak trips, programs, and some of the wildlife on the Cape, including Bald Eagles on the Cape, osprey nests, best practices, and more.

 A New Rotary Year
 Kevin Lennon

Assistant District Governor Announcement: Brad Boyd visited the club and announced that he will be moving on from his 3-year term as Assistant District Governor. He said “Givers Gain” and mentioned how the Club has given so much this past year and the power of “Thank You.” The power of thanks stays with you. Brad introduced Bob Tucker, the new Assistant District Governor from the Nauset Club.

Brite Lights of Cape Cod: Jill Albright read a note for the volunteers of Brite Lights of Cape Cod, a spinoff from the Rotary Club of Yarmouth, and presented gifts from Amanda Mendes for the volunteers of the new 501c3 organization. The note acknowledged the work done over the past year to help those students in the most need in the DY community. Specifically, the note thanked Stephen Albright as President, Curley Carey as Vice President, Allison MacEachern as Secretary, and Directors Kevin Lennon, Julia Frommeyer (and Interact President), Roby Whitehouse, Hollie Handrahan, Matthew Fitzsimmons, and John Cooke.

BrainyQuote

“ Nothing great is created suddenly, any more than a bunch of grapes of a fig.

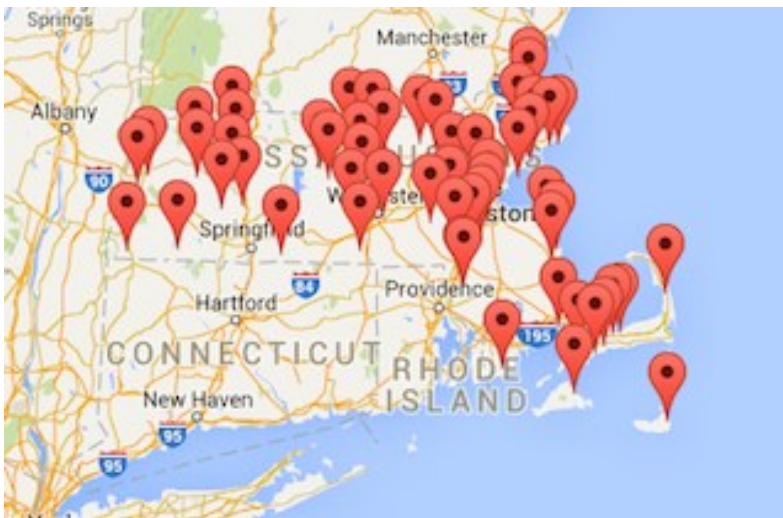

If you tell me you desire a fig. I will answer you that there must be time.

Let it first blossom, then bear fruit, then ripen.”

Epictetus (50 –135 AD)

Each season brings unique opportunities to explore nature at all of our wildlife sanctuaries, making it fun and interesting to visit them at any time of year!

Feeding the DY Redsox

ABOVE: Yarmouth Rotary fed the DY Redsox after their first game of the season this past Sunday. Helping to serve were Mike Karras, Laurie Karras, Mary Lou Karras, Curt Sears, Jill Albright and Steve Albright. Not pictured were Lily and Sam Hammond, Mike's daughter and her husband. Mike's wife Laurie prepared the feast of pulled pork, baked beans and homemade mac & cheese. Added to the feast were asst. cookies and watermelon.

BELOW: On June 18th we met for the first in-person Rotary meeting since March 6, 2020. Over 40 members were present and we also zoomed in with an additional 10 Rotarians. Hybrid type meeting will continue to be a normal for our Rotary meetings in the future.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
