The Main Event

Tree Update - Dr. Bruce gave the club an update about the tree planting project. There are plans to plant a memorial tree for Sergeant Sean Gannon on town property. The Town has done a study of tree needs and with this expert analysis, we should be able to set plans soon. We will also need to work with a newly appointed tree warden. For members, please think about places and types of trees that may improve or fill in bare spots or dead/dying trees. Email Dr. Bruce with suggestions and he will keep a list.

Rotary Convention Update:

Greetings from Toronto. President Kevin, his wife Sondra, PDG Barry Clayman, his wife Gail, Jill and myself are having a great time in Toronto at this years 109th Rotary International Convention. Along with 24,000 other Rotarians from around the world, we have enjoyed a great opening session with an unbelievable display of the flags of all of the attending nations, great speakers and entertainment. Day 2 brought another morning of great speakers including the RI General Secretary John Hewko, Dr. Tedros Adhanom Ghebreyesus Director General of the World Health Organization (WHO), Dr. Ann Gloag, OBE Founder of the Ann Gloag Foundation who spoke on the Freedom from Fistula Foundation which she founded, and Caryn M Stern, President and CEO of UNICEF USA. In addition, there was a panel discussion of members of Rotaract Clubs who are here celebrating the 50th anniversary of Rotaract. We have attended numerous workshops during the afternoons and more will continue tomorrow and Wednesday. In addition, Jill and I attended the Rotary Youth Exchange Conference the two days preceding the regular convention. It has been great so far and we all are looking forward to the remaining two days.
