PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 30 No. 47

June 4, 2021

The Main Event

This week's meeting was held at the Dennis-Yarmouth Regional High School cafeteria, **IN PERSON!** Thank you to all those who attended in-person and virtually, with some even dialing in from places a far; Allison from the Caribbean, Jackie from Italy and Horst from Germany.

The meeting started as usual, with the 4 Way Test, a patriotic song, the pledge of allegiance, a wonderful invocation from David Akin, then Birthdays and Anniversaries.

The current Interact Officers introduced themselves, and then introduced the incoming board as well the members.

There was a moving tribute to Ken Jenks. One of the Interact club members spoke of her memories of Ken. This was followed by a moment of silence.

The Interact Club then recalled the various accomplishments of the club this past year, including volunteering in the community through the Cape Cod Brite Lights and other charitable organizations.

Stephanie Booth-Riley, Interact Advisor, spoke to the joint meeting of the clubs in regard to the anything but normal year, but despite this, the club was able to support the community and do a lot of good work.

Jill Albright and President Curley Carey presented an honorary membership to Stephanie Booth-Riley the advisor for the DY Interact Club. A lot of Interact Clubs did not meet at all this past year, however, the DY Interact Club not only met, but was active in the community.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
