The Main Event

Highlights of Emily's years as an Exchange Student in Yarmouth!!

The last of our programs in May focusing on Youth was highlighted by the final year-end report from Emily Stukalo, our Rotary Youth Exchange student. Just prior to her presentation, two students from D-Y High School who were selected to participate in the Rotary Youth Leadership Awards (RYLA) program, Max Ross and Rose-Ana Meritus, were introduced by Jill. Max and Rose— Both told us about their experiences at the recent District RYLA weekend retreat.

Emily then received a heartfelt introduction from Pam Rideout, Emily's Youth Exchange counselor for the past two years. Pam recounted the many ways in which the exchange experience has made a huge difference in Emily's life, while noting that she has also touched the lives of club members, their families, fellow students, faculty and the community as a whole.

Emily proceeded to give us a thorough and informative review – via a Power Point presentation – of her two years as a Rotary Youth Exchange student in Yarmouth. She recounted the incredible experiences and accomplishments she had including:

- Staying with some great host families;
- Making lots of friends;
- Participating in lacrosse, soccer and basketball;
- Learning how to ski (courtesy of Steve Albright!);
- Attending the Junior Prom;
- Attending Homecoming events;
- Travelling throughout New England and New York City with host families and Rotarians;
- Achieving high honors and being inducted into the National Honor Society;
- Being an active member of the Interact Club;
- Making presentations at the District Conference and the Harwich-Dennis Rotary Club;
- Volunteering with Bright Lights, and at the Boy Scout Camp Greenough;
- Planning for college, maybe Emmanuel College, UMass Dartmouth, Endicott or Simmons!

And finally, Emily left us with this message: "I want to say thank you to everyone that made my dream real. I am very very grateful to all of you. None of this would have been possible without every single one of you. You made my dream come true. I am forever grateful for everything you do for me and other people. Thank you for everything you do, this will never be forgotten. You guys are amazing!"

The good news is, Emily will not be leaving us, at least not yet! She will be entering her senior year at D-Y this September, and will graduate in June 2025 (she also anticipates graduating from her high school in Kyiv this summer after completing on line course work and passing an exam). While no longer a Rotary Youth Exchange student, she will be staying here with the Albrights under the State Department's special Protected Immigration status, so we can expect to see more of her in the future!

RYLA has returned!!! The RYLA program returned this year. It is the first in person RYLA since 2020 for District 7950. This year we were very fortunate to be able to send 18 students from our District to Camp Rotary and join with the D 7930 RYLA. It wasn't bad enough that we were hit by COVID but the Cape Cod Sea Camps closed leaving our District with no place to hold the annual event. A couple of on line RYLAs were held during COVID but there is nothing like an in-person event. This year Rose-Ana Meritus and Maximus Ross from DYRHS were sponsored by our club and attended the RYLA program. Bot had an exciting weekend and hope to join in next year as staff members.

Golf Tournament Update: We kick-offed his year's Golf Tournament. Brochures and flyers are always at our Friday meetings. The committee needs everybody's help in making this another successful event.

Currently we need MAJOR SPONSORSHIPS, FOURSOMES, OTHER SPONSORSHIPS SUCH AS HOLE IN ONE, LONGEST DRIVE, PUTTING GREEN, TEE & GREEN, AND GENERAL SPONSOR.

Everyone of these helps us reach our goal. Please take some brochures and flyers and ask businesses, friends, and relatives to be a part of this great fundraising event.

GOOD WORKS EMAIL ADDRESS: The Good Works Committee has a new email address. All correspondences and applications for assistance can be sent to the new email address. Our 34th Annual Golf Tournament at Cummaquid Golf Club

Items we will need: Golfers, Sponsors, Raffle Donations
(Silent and drop item raffle)

HELP WANTED: Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 13 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter so the workload has increased.

COVID & CORKS—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

Cutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devises please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them though our weekly deliveries on Tuesday.

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$300—\$350 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Lou Preziosi along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
