## The Main Event

Rufus Jones - A life Unimagined Guest Speaker on Feb 28, 20205

Rufus grew up in 1953 in Montgomery Alabama. It was the segregated south. Teachers were the only professional role models he had while growing up. While growing up there were still segregated bathrooms and back doors. Grew up in poverty, no electricity, no indoor plumbing, dirt roads and the Outhouse was a single faucet for seven households.

Moved to New York in 1960's to the Bedford Stuyvesant neighborhood in Brooklyn, NY. In 7th grade he attended a catholic school that was integrated school. After high school he attended Syracuse University. Segregation was still a thing in the forms in 1971. He was selected as Who's Who among America's Universities and Colleges.

After college it was the time of Affirmative Action. He was viewed as a threat by his bosses as he was educated, and they were not. He worked with 2 females and 80 white males. He was passed over numerous times for promotions.

In 1996 there was a merger and they made him re-interview for his job. The new company asked him why he stayed after being looked over so many times. He retired as a Vice President for the company.

During his time in corporate life he volunteered with his fraternity, United Way, Saturday Academy, Toastmasters International.

Since Retirement in 2019 he still feels like the "Only One" in groups. He has learned to be in an environment for sharing talent and treasures through volunteering. He is a member of ACE at CCCC. He also serves on boards for other groups. He joined Rotary in November 2020. He learned to be part of something bigger than you.

Kiley Barney - DY Rising Star Feb. 28, 2025

Kiley is a Senior at DYRHS.. Served on Color Guard since 9th grade and served the last 2 years as captain. She plans to study either Neuroscience or microbiology with a minor in psychology. She hopes to then go on to pre-med and become a doctor. She has received many offers from colleges but is still waiting to hear back from a few others.

## Guest Speaker Tiffany Van Sicklen March 7, 2025

She spent all 4 years as a member of Varsity Volleyball. The first year she got the most improved player award. In her junior and senior years, she received the MVP Award both years. ### Support Crutches 4 Africa

Enable disabled in  
developing countries to  
have hope, dignity,  
health and access

Keep aluminum  
out of our landfills

**Crutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project,

Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

**COVID & CORKS**—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Carol Woodbury who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

#### CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$300—\$350 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

**Fourth:** Visit our website and learn more about us. [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com)

## **Crutches For Africa**

### **A Continuous Project by Yarmouth Rotary Club**

**Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Lou Preziosi along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.**

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)

**Leg Braces**
