-Tree Planting - This was a discussion regarding an effort that we can participate in both locally and globally. Dr. Bruce spoke regarding the new Rotarian magazine. This was Rotary Year of the Tree in an effort to regreen the earth. The idea goes back to Paul Harris, who grew up in Vermont on a farm and had a lifelong fascination with trees and planted all over the world when he travelled for Rotary. Every tree we plant helps to moderate the climate and absorb carbon dioxide. A lot of trees have been severed and fallen due to the recent storms and need to be replaced. Roby, Curt, Dr. Bruce, Kevin, and Jill are going to spearhead this effort and will make a proposal for the club. If anyone is interested in being on the committee, contact Dr. Bruce.

Guest Speaker - Kari Parcell - Kari is the Municipal Assistance Coordinator for Barnstable County and Massachusetts DEP. She also represents Dukes and Nantucket county and serves as the point of contact for recycling, composting, reusing, and repurposing. Kari provides technical assistance on waste reduction and recycling to the area. Did you know that the average household in Yarmouth throws out 1,700-2000 pounds of trash annually, not including the recyclables? She spoke of the various towns and efforts to reduce garbage and increase recycling. An important component of this is education, and Kari works with the local municipalities to secure state funding and develop programs to help each town. One example she gave of recycling is "Recolor", which is recycled latex paint that is sold at Habitat for Humanity. No longer do people need to "dry it out, throw it out".

Vocational Service Award – The deadline to submit a nomination for the Vocational Service Award has been extended a week to March 30. Please see Sally Bowles with any questions. The nomination form is on the club's website on the bottom left under Home Page Download Files.

-Crutches for Africa - Mike Riley announced that we will be participating in Crutches4Africa program again to be able to provide mobility devices. If you would like to have your business be a drop off location, please let Mike know so we can coordinate the advertising.

TGIFY Writers Needed

If you would like to help with the TGIFY by taking notes each week and helping to write the content, please contact John Cooke. It was noted last week that the Happy Bucks are no longer included in the TGIFY. We can certainly bring back that section, but will need the assistance of club members who are willing to help out. If Interested, please contact John Cooke.
