## The Main Event

**Silent Auction** - The silent auction is live and bidding has begun. It runs through next Friday May 14th. Thank you to those of you who donated the many items we have in our auction. If you are so inclined to bid on any of the items, go to [biddingforgood/yarmouthrotary](https://www.biddingforgood.com/yarmouthrotary) Create an account and start bidding. That's all there is to it. **ALL FUNDS RAISED WILL GO TO SUPPORT THE YARMOUTH ROTARY SCHOLARSHIP FUND.** You can also go onto the Yarmouth Rotary Facebook page and share our auction on your facebook page. It is great to do this multiple times over multiple days so it doesn't get lost in the facebook process. **LAST CHANCE TO BID!!!!**

**Guest Speaker Jon Nagle, WASH – Community Engagement Through Service** – Jon Nagle joined us again this morning to speak regarding the WASH program. He is an agricultural engineer and has worked for 35 years in Niger and other countries around the world. Jon let us know that community engagement is vitally important for the success of projects. Education and training is a key component for long-term impact. Jon spoke about the service delivery approach. This approach combines community needs, a service provider, governmental oversight for maintenance. Payment for water delivery is now becoming standard. Culturally, many people in rural communities, view water as a gift from God, but understand that delivery costs money. People are willing to spend money on cell phones, as a necessity. Even rain water must be stored. The operation and capital maintenance costs should be paid for by clients. Short term scenarios present themselves if Rotarians or others try to provide a service that is not perceived as

Con't from Page 1

Jon spoke about WHAVE, a Ugandan non-profit social enterprise working with local government and rural communities to provide water maintenance services. Whave's technicians perform regular checks and respond immediately when worn parts threaten a breakdown, to ensure that water keeps flowing every day. Communities pay a small annual fee, and government provides regulation and support, so that the services are sustainable at scale. They have established local business initiatives with local water kiosks, which are setup in communities for people to purchase clean drinking water.

**Champ House BBQs** – Frank Mastrumauro let us know that we will begin the BBQs outside at Champ Homes again. He is looking for volunteers to not only cook, but shop as well in the coming months.

**DY Interact Meeting** – We are invited to join the Interact Club at DY on Friday, May 28. This will be an in-person meeting, masks are required. They will be serving breakfast, so please RSVP to Roby Whitehouse if you plan to attend. We will also be streaming this meeting on Zoom for those out of area or at home. Please bring \$15 cash or check with you.

**Auction Update** – Jim Seymour let us know that the amount bid thus far is \$4,700+. On our Facebook page is a link to the event that can be shared.

**Annual Physical** – Jim Seymour encouraged everyone to get a physical, do the bloodwork and don't wait, especially as many people have put it off due to Covid. Jim revealed that at his annual checkup, he found out he is fighting Leukemia. Our thoughts and prayers are with him.

**Environmental Sustainability Rotarian Action Group (ESRAG)** – Brian Braginton-Smith let the club know that he will be speaking at the International Convention and asked the club to begin an Environmental Committee in line with the next focus area of Rotary.

**Brite Lights of Cape Cod** – Steve Albright let the club know that the 501c3 designation. It all began with an idea, "helping Cape and Island residents as needed". In partnership with the Rotary Club of Yarmouth and the Yarmouth Food Pantry, Rotarians developed a program, starting with providing weekend nutrition to elementary school children. From there, an additional need of supplemental nutritional food was identified for independent living clients of a local agency.

**CAPE COD BRITE LIGHTS**

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

**How you can help:**

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card.

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

## THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
