YARMOUTH ROTARY WELCOMES ABOARD NAVY SEA CADETS!

The third presentation in our month long focus on Youth was made by one of our own, Jim McLoughlin. He spoke about the Naval Sea Cadet Corps, a program that offers youth, ages 11 to 18, the opportunity to learn life skills such as leadership, teamwork, and self-discipline in a military environment. As a special bonus, Jim brought with him Cadet Hogan Anderson, a senior at Sturgis West High School who will be attending Mass. Maritime this fall.

By way of background, Lieutenant Commander McLoughlin – his Sea Cadet rank - is Commanding Officer of Gosnold Division of the Naval Sea

Cadet Corps. He has been a member of the Corps since 1975 when he joined as a Seaman Recruit, and was appointed Commanding Officer of Gosnold Division in 1986. He is also a “Blue & Gold Officer” (candidate counselor) for the US Naval Academy.

A graduate of D-Y High School, Cape Cod Community College (AA), UMass Dartmouth (BS), and Cambridge College (M.Ed.), Jim has enjoyed a storied career in education, mentoring young people, and in the maritime industry. A resident of Bourne, Jim enjoys history, flying – he is a licensed pilot, photography and music, as well as scuba diving and fishing. He has been a member of Yarmouth Rotary since 2018.

Key facts about the Sea Cadets:

- ◆ Chartered by Congress in 1962; official sponsor: U.S Navy League.
- ◆ The mission of the Sea Cadets is to build leaders of character.
- ◆ Presently, 6,000 enrolled young men and women in 375 units nationwide and overseas; 24 units in New England.
- ◆ Formed on Cape Cod in 1975 at Hyannis West Elementary School; moved to the NOAA Fisheries Center (Woods Hole) in 1987, and finally relocated to its present site at Mass. Maritime Academy in 1994.
- ◆ Currently, seven adult staff members and 30 cadets enrolled from Pembroke, Attleboro, Bridgewater and all towns to Eastham and Martha’s Vineyard.
- ◆ Bi-weekly drills (meetings) at Mass. Maritime, Saturdays 10 a.m. to 3 p.m., consist of classes, physical fitness, and military drill.
- ◆ Considerable community service, including parades, Veterans Day and Memorial Day ceremonies, and assistance at multiple events throughout the year and across the region.
- ◆ Honor Guard, Silent Drill Team and Swim Team.
- ◆ Marksmanship Training at the Coast Guard Range.
- ◆ Annual trips or training to Submarine Base, Groton, CT; “Intrepid” museum in New York City; and Mystic Seaport.

BZ Jim, and thank you for everything you have done for our youth on Cape Cod.

Our 34th Annual Golf Tournament at Cummaquid Golf Club

Items we will need: Golfers, Sponsors, Raffle Donations
(Silent and drop item raffle)

HELP WANTED: Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 13 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter so the workload has increased.

COVID & CORKS—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

Cutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devises please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them though our weekly deliveries on Tuesday.

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$300—\$350 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Lou Preziosi along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
