## The Main Event

### Rotary at DYRHS

The club were guests of the DYRHS Interact club for this week's meeting. All the members introduced themselves and said what they liked about the projects they did during the year.

Some of the things remarked about were:

Brite Lights on Wednesdays helping pack weekend meals for students.

Shopping at Target for Christmas Party. Wrapping and then delivering gifts to students throughout school district.

Gingerbread contest raising money for Habitat for Humanity, This was a school wide event.

Milton Wolf Foundation application was submitted to help mitigate the need for local housing. They have partnered with Habitat for Humanity and look forward to doing a larger project with them next year.

Next year's officers introduced themselves. By the look of things it appears that the Interact Club is going to have another great year next year under the new leadership team.

## Origins of Pride Month

Pride Month is an annual celebration of the many contributions made by the LGBTQ+ community to history, society, and cultures worldwide. In most places, Pride is celebrated throughout the month of June each year in commemoration of its roots in the Stonewall Riots of June 1969. However, in some areas—especially in the Southern Hemisphere—pride events occur at other times of the year.

The roots of the gay rights movement go back to the early 1900s, when a handful of individuals in North America and Europe created gay and lesbian organizations such as the Society for Human Rights, founded by Henry Gerber in Chicago in the 1920s.

Following [World War II](#), a small number of groups like the Mattachine Society and the Daughters of Bilitis published gay- and lesbian-positive newsletters and grew more vocal in demanding recognition for, and protesting discrimination against, gays and lesbians. In 1966, for example, members of the Mattachine Society held a [“sip-in” protest at Julius](#), a bar in New York City, where they demanded drinks after announcing that they were gay, in violation of local laws against serving alcohol to gays and lesbians.

Despite some progress in the postwar era, basic civil rights were largely denied to gay, lesbian, bisexual and transgender people—until one night in June, 1969, when the gay rights movement took a furious step forward with a series of violent riots in New York City.

The **Stonewall riots**, also known as the **Stonewall uprising**, **Stonewall rebellion**, or simply **Stonewall**, were a series of spontaneous, violent demonstrations against a [police raid](#) that took place in the early morning hours of June 28, 1969, at the [Stonewall Inn](#), in the [Greenwich Village](#) neighborhood of [New York City](#). Although they were not the first instance in American history when people in the homosexual community fought back against a government-sponsored system that persecuted [sexual minorities](#), they have become the defining event that marked the start of the [gay rights movement](#) in the United States and around the world.

On June 28, 1969, the Stonewall Inn, a gay bar in New York's Greenwich Village, was raided by police. But instead of responding with the routine compliance the NYPD expected, patrons and a growing crowd decided to fight back. The five days of rioting that ensued changed forever the face of gay and lesbian life.

**The first anniversary after the Stonewall riots was marked by the Christopher Street Gay Liberation Day, the first Pride March in the history of the United States.**

SAVE THE DATE

Our 34th Annual Golf Tournament at Cummaquid Golf Club

Items we will need: Golfers, Sponsors, Raffle Donations  
(Silent and drop item raffle)

**HELP WANTED:** Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 13 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter so the workload has increased.

**COVID & CORKS**—Wine cork recycling benefits our earth's sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

**Cutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devises please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

**MEALS ON WHEELS** – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them though our weekly deliveries on Tuesday.

#### CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$300—\$350 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

**Fourth:** Visit our website and learn more about us. [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com)

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Lou Preziosi along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
