### **RISING STAR: TOBIAH AGURKIS, DENNIS-YARMOUTH REGIONAL HIGH SCHOOL**

In explaining her choice of this month's Rising Star, D-Y Guidance Counselor **Annette Bowes**, emphasized that "***Tobi** was my easy choice*" for Rising Star. **Tobiah Agurkis** had transferred to DY in mid-year of her 10<sup>th</sup> grade and immediately jumped into DY in every way. She smoothly transitioned into her new life earning the respect of all of whom she came in contact.

**Tobi** is known as one of the kindest persons - as well as one the "biggest positive risk takers." She is an active member of the chorus and the orchestra, and this year she is the lead (and only) Jazz singer with D-Y's award-winning Jazz Band. She has been part of our softball team, and as a junior made the basketball team even though she never played before. She has been part of the theater company since she arrived and earned lead roles in both *Pippin*, *Legally Blond*, and most recently *Godspell* (where she was amazing and looked up to by the entire cast). In addition to all these successes, **Tobi** is one of top academic students.

**Tobi** expressed how extremely welcoming she felt in the D-Y environment, complementing her parents and siblings cheering her on. She felt that D-Y prepared her well and added a lot of positive memories. Her educational plans include creative writing and music at North Park College in Chicago next year.

### **YARMOUTH FOOD PANTRY MOMENT**

**Barry Clayman** announcement: On behalf of the Food Pantry, **Sue Martin** has received grant from the United Way, related to a Nutrition and Education. This is the first year the full grant of \$20,000 was awarded, and a Key of Thanks was presented to **Carol Woodbury** for her help and participation in the presentation for the grant. **Carol** emphasized the schools partnership with the Food Pantry, as over 56% of school lunches are under the Free-and-Reduced category, and over 1400 students are eligible.

### **GUEST SPEAKER: LISA MINCIELI, FROM THE COMMUNITY SCHOOL OF CAPE COD TECH**

Handling the introduction, **Ken Sheytanian** presented **Lisa Mincieli**, Director of Adult Education at The Community School of Cape Cod Tech. In this role, she is responsible for the implementation and management of 15 evening programs, as well as the growth and strategic direction of The Community School in the years to come. Prior to this position, **Lisa** was an Assistant Dean and Project Director at Harvard University, where she provided high-level statistical analysis to the Faculty of Arts and Sciences leadership team on issues such as faculty recruitment, promotion, and retention, as well as student course evaluations and gender equity.

**Lisa's** background is in quantitative social science. She received her BA in Sociology from the University of Vermont (2003), and her MPP (Masters of Public Policy) from Georgetown University (2005). In her free time, Lisa enjoys running, yoga, traveling, and spending time with her husband and two young children.

**Lisa's** message was strong and to-the-point: "*Whether you are looking for a new career path or to develop your personal skills, The Community School at Cape Cod Tech offers in-depth courses just for you – and something for everyone.*"

The mission of The Community School is two-fold: to provide job training programs for adults looking to change careers or re-enter the workforce; and to provide the Cape Cod community with evening enrichment courses to help learn new skills or improve on existing ones. Taking advantage of their unique location, The Community School is able to offer vocational courses in fully equipped shops and classrooms: "Learn to cook in a professional, commercial kitchen; or learn the basics of electrical work in the electrical shop!" Present course offerings include • Cosmetology Licensing, • Dental Assistance Certification, • Manicure Licensing, • Medical Assistant Certification (Clinical), and • Veterinary Assisting Certification.

Contact information: **Lisa Mincieli**, Director of Adult Education at the Community School at Cape Cod Tech, • 351 Pleasant Lake Ave., Harwich, MA 02645, • (508-432-4500, ext.229, • <[lmincieli@capetech.us](mailto:lmincieli@capetech.us)>, and • websites: <<http://www.capetech.us/Community-School>>, <<https://www.facebook.com/capecodtech/>>.
