PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 33 No. 42

May 5, 2023

The Main Event

Guest Speaker Robert Eckle, Director of the Cape Cod Tech Charitable Foundation - The Cape Cod Tech Foundation was formed in 2019 to support the students, teachers, and programs at Cape Cod Technical High School. The CCT Foundation addresses student financial needs that the school budget can't address such as - students emergency needs, drivers education grants, and certification costs.

Tax deductible contributions help Cape Cod Tech maintain the high quality of technical and academic programs that will continue to develop a skilled year-round workforce for Cape Cod.

Cape Tech serves 600 students with a career technical vocational education. The district is Mashpee to Provincetown. The trends are extremely positive, where double the applications than they have spots available with the current facility. "We all know how important workforce is for the Cape - #2 after housing. Over 60% of our students go right into the workforce here on the Cape. We know how important sustaining young families on the Cape is to the community." Over 50% of the students are economically

disadvantaged. Many students come from single family households.

The foundation further expands to the needs of all students. Driver's education is now one of the programs, and is vitally important for students to be able to get to job sites. For more information, please visit their website at <https://www.capecodtechfoundation.org/>.

Chris Morin DEI Moment - Elizabeth is from Long Island in a white suburban town. In the 1960s, her father was transferred to New Jersey into an integrated neighborhood. She really enjoyed the difference of learning alongside people that didn't look like her. She moved to Virginia for 12 years for a social justice organization. They held sessions on racial justice and there were caucuses in the organization. She was sensitive to the treatment of people different from herself and always strived to be nice and accommodating. She was involved in Black White Together, an organization that was meant to spur dialogue. Her "aha" moment to exposure to this work was when she served on the International Women's League for Peace and Freedom. During a weekend long board meeting on racial justice, there was a video on white privilege. After the video, each person discussed what resonated with each one. As a reaction, a woman of color and great leader and friend to of Chris' stated, "When I walk into a room of white people, I feel like I'm walking across the floor on broken glass." This was her moment to understand how deep the intersection of oppressions are for people.

Gavin Pelletier, DY Rising Star - Nicole D'Errico, Guidance Counselor at DY, introduced Gavin by stating, "Gavin has proven to be a *fun*, engaging and committed individual earning a 3.50 GPA. He is creative, animated, and genuine. He has spirit, passion and strong morals. Creativity pulses through his veins. He plans to pursue a career in fashion design and merchandising. He is a natural and proud leader who models respect and responsibility. He has developed his voice and has become a strong advocate." He is actively involved in Interact, Student Ambassadors, Captain of the Color Guard and Winter Guard. Gavin discussed the importance of DY

and why he chose the "DY Advantage". "Each sport, team, and part of the school is that each person is dedicated to each other's success." He spoke and thanked Ms. D'Errico, Mrs. Woodbury, Dr. Funk, and his parents for all of their support over the years and ensuring his successes.

Belonging Books

COMMUNITY. JOY. SOLIDARITY.

Belonging Books is a community program provider and pop-up bookseller that centers the voices and stories of people of color and other underrepresented communities on Cape Cod. Through its creative programs and events, it makes intentional gathering space for joy, celebration, safety and belonging.

Erica Tso Haidas, the founder, and owner of Belonging Books is a mother, a racial equity advocate, a pro bono immigration lawyer and a food, nature, people, and book lover.

Erica was a guest speaker at our club meeting in September 2022.

Announcements

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
