PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

The Main Event

Silent Auction - The silent auction is live and bidding has begun. It runs through next Friday May 14th. Thank you to those of you who donated the many items we have in our auction. If you are so inclined to bid on any of the items, go to [biddingforgood/yarmouthrotary](https://www.biddingforgood.com/yarmouthrotary) Create an account and start bidding. That's all there is to it. **ALL FUNDS RAISED WILL GO TO SUPPORT THE YARMOUTH ROTARY SCHOLARSHIP FUND.** You can also go onto the Yarmouth Rotary Facebook page and share our auction on your facebook page. It is great to do this multiple times over multiple days so it doesn't get lost in the facebook process.

Social Media - John Cooke demonstrated how club members can like and share posts that the club posts. This will further widen the audience for the club's posts and also spike more interest in the wider community. For those on social media, please feel free to like and share any of the posts, and adding your own comment as you do so will help to increase engagement across your own network of family and friends.

ClubRunner - John also did a demonstration of logging into ClubRunner and showed the member area, which includes Board meeting minutes, club contacts, Treasurer Reports, and more. This area is password protected, so only club members are able to access it. If you would like to login or have issues logging in, please contact Steve Albright or John Cooke and they will gladly help you. Also, there are many training videos on how to use ClubRunner available on YouTube. John encouraged all members to take a look, log in, update your profile, and let him know if you have any questions.

My Rotary – Steve Albright showed everybody how to access myrotary, how to sign in and how to create a new account. He also stated that your Club Runner account info does not work with myrotary since they are two very different platforms. He then showed the various topics and what could be found on them. He spent some time going over accessing you own information, the club's information, the Learning Center where you can take different training courses relevant to Rotary and Brand Center. He also stated that if anybody needed assistance of any kind to please contact himself or John Cooke.

Bidding for Good auction – Steve introduced everybody to the Bidding for Good auction site where we are holding our silent auction. The auction started on April 30 and will end on May 14. Steve thanked all of those that worked so hard on putting this auction together. Those included Mary Vilbon, Jackie Carnevali, Barbara Adams, Jill Albright, Roby Whitehouse and Jim Seymore. He also thanked all those that contributed items or solicited them from business.

“ Nothing great is created suddenly, any more than a bunch of grapes of a fig.

If you tell me you desire a fig. I will answer you that there must be time.

Let it first blossom, then bear fruit, then ripen.”

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
