## The Main Event

Jim Seymour
Executive Director
Cape and Islands Veterans Outreach Center

Mission is to provide comprehensive life sustaining services for veterans and their families.

They continue to strive for an innovative and integrated program of essential services evolves as the needs of each generation of veterans emergencies.

Dennis House houses 5 veterans. Grace Family house serves 8 veterans. They are both transitional houses where they assist in getting back on their feet and into something more permanent.

They also have the CIVOC Food Pantry in Hyannis and mobile vehicles that can transport food over to the Islands and to upper and outer cape.

With their growth they have been requested to be in multiple places. They now have a new Ambassador program. It will allow them to increase their outreach, promote their mission, and connect vital services and programs.

They have been providing services to veterans and their families on the Cape and Islands for more than 42 years and will continue to serve them now and the future.

The annual Veteran's Day memorial service was conducted at Town Hall on Tuesday November 11th. The event was planned by David Akin. Commander Jim McLoughlon talked about the history of the Star Spangled banner. Pat Armstrong sang the Star Spangle Banner and Chuck Soule gave the invocation.

Teagan Sherman recited her winner essay titled "What Veterans Day Mean to me" Bill Glass presented Teagan a certificate, a Rotary Four Way Test Coin and a \$100 check.

Please take a few minutes and read Teagan's essay which is featured on the next few pages.

### What Veterans day means to me By:Teagan Sherman

You may think that I am doing this for the money, or just to win, but you would

be severely wrong. I am writing this essay to honor all of the veterans who have fought so bravely and selflessly for our country. Veterans Day means to me that a brave stranger is at war fighting for my country or has died in the process. This important day also means more than you could imagine, because these selfless, courageous warriors not only have given me an amazing life in a safe country, but have compromised their own for all of us; risking their own lives every day for all of

the souls homed in the United States of America. Another reason this holiday is so important to me is that I have had many family members fight for me and everyone who takes comfort in living in the USA. I hope it brightens your day, or gives you hope for our country and the veterans to come when you read this essay.

The first purpose of this essay and what it matters to me, is to recognise that a human, the same as me, took a chance at losing their life for me and many others. To me, that is one of the most humane acts of service a stranger could bless me with. There Selflessly fighting every day for our country and what it stands for, meanwhile some people brush off this extraordinarily devoted job, and the one day a year we get to dedicate to those who have fallen, and those who are still bravely fighting in unimaginably harsh places. There are noble warriors out in battle as you sit comfortably reading this right now, wondering every second, minute, and hour, of every day if they would get to return home or not to see their families; All while fighting so mine could get put first. That is truly a heroic act that needs to be more recognised.

Secondly, Veterans Day means to me that I am blessed to be in a safe home because of the fact that there is a person out in the world fighting for myself, my town, my state, and my entire country. All so we can all feel safe and secure where we live. These warriors put aside their safety to guarantee mine and yours, and I am eternally grateful that I'm homed in such a beautiful country surrounded by safety and peace of mind.

Last but not least, Veterans Day means that we should all take time to remember the fallen and their families in hard times. Some of the bravest people I know have served for our country, including my great-grandfather and great-grandmother, my uncle, and my aunt, and many family friends, who have all gone to battle for us. Words can't explain how that makes me feel, knowing they were put through some of the roughest situations and still persevered for the many years they served. Our country's condolences can and will never amount to what our Veterans have truly earned in their victorious battles, whether they have come home to their loving families, or died trying. Not all have had the blessing to return, but within their sacrificial acts, we get to live to embrace and spread their legacy.

Freedom is a blazing torch that can only be gifted to one from someone who has taken a leap of faith and burned their hands for us with dedication and honor. Take time on this very purposeful and thoughtful holiday to thank those around you who have served; and always remember to be grateful that there are so many people who protect you every single day and give you peace of mind, whether they know you or not.

# Support Crutches 4 Africa

Enable disabled in developing countries to have hope, dignity, health and access

Keep aluminum out of our landfills

**Cutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project,

Joe Potzka has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devises please collect them and turn them in at the Yarmouth Transfer Station. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Ask a relative, a friend, a neighbor, a business associate or a co-worker to join us so we all can do more in our community and our world.

#### **Crutches For Africa**

#### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
