PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

The Main Event

John Cooke was called upon to speak as our scheduled speaker had to cancel at the last minute due to a family emergency.

John spoke about the Cape Cod Young Professional and what the organization does and how it impacts our communities on Cape Cod. Below is a little bit about the CCYP. We will hear more about it on November 22 when the new Director has been rescheduled to speak.

The Civic & Community Engagement Committee guides CCYP's community involvement and advocacy work. The committee promotes involvement in local governance and organizes resources, events, workshops, and initiatives that encourage citizens to engage in public service, volunteerism, and collaborative projects. The committee also serves as a liaison between CCYP and both local governments and local Chambers, ensuring that young professionals have a voice in decision-making processes.

John also talked about his daughter Caroline who will be going out on a short-term Youth Exchange, She is looking forward to going to a Spanish speaking country such as Spain, Argentina or one of the central American countries.

D-Y Middle School 7th grader Dacheka Gaston is presented with a Rotary certificate of achievement, a \$100 check and a Rotary 4-Way Test coin by principal Mike Bovino and assistant principal Holly Burns. Dacheka was the winner of the club's recent Veterans Day Essay contest. Unfortunately, she was unable to attend the meeting on the 8th to read her essay and receive the recognition in front of the club, but expressed appreciation for the award.

Dacheka's Essay

There are many experiences that could qualify as life-changing. First of all, every new experience was the first experience. For good or bad, each instance changed the course that my life has taken. But, the most transformative experience for someone that has gone through is losing a loved one in war and we should all respect and learn from our people who fought for our freedom. First of all, I have always enjoyed celebrating holidays. Usually, when I think about holidays, I get most excited about the ones that focus on family, food, and fun. However, there are significant holidays celebrated each year that are sometimes overlooked. One of the most important holidays is Veterans Day which is a day we honor men and women that fought for our country. Second of all, there are several similarities between special days. Veterans day has historical importance for our country. Ever Wonder why Veterans day is on the 11th and does not change that's because world war I ended on the 11th month, day and hour. Lastly, Veterans Day is an official United States holiday which honors people who have served the country; it can be either men or women. They had to be willing to compromise their lives in order to save a fellow soldier or innocent civilian. "With every war we have fought, some of these people have died, been wounded or have been driven mad from mental anguish and have had their traumatic experiences. Veterans are true heroes" (paperap 1). This is why we should acknowledge and respect our soldiers/veterans. In conclusion, this shows why Veterans are important people to our country, not only important but also heroes and Losing one of them is a real deal and we chose this day to honor them.

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork

Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Carol Woodbury who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

November is The Rotary Foundation Month

Crutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devises please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them though our weekly deliveries on Tuesday.

Thank you to all of you who volunteered and to those of you that donated food and other items.

Everything you did goes to benefit the Yarmouth Food Pantry.

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$300—\$350 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Lou Preziosi along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Preziosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
