PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 36 No. 19

Nov. 21, 2025

The Main Event

Guest Speaker – Celeste Herbert – Senior Major Donor Coordinator for the Rotary Foundation

Celeste began her talk by talking about the Polio Plus program, how and where it was started in 1987 and how it has progressed to today's point where there are only two countries that have the wild polio virus still active, Pakistan and Afghanistan. The virus is still active in the mountain region on the border of those two countries. It had been narrowed down to just a handful of families in this region.

The ability to vaccinate children in this area is being hampered by it being a tribal region, hard to get to and a war that still rages on the border of those two countries.

Her other part of her discussion was to talk about her position as a senior major donor coordinator and how she goes about educating people of different ways that they can make a difference in our communities and the world. She presents ideas on how people can make a difference by looking at things like stock, 401K's life insurance, real property and other ways.

If there are people in the club who would like more information, we can set up a small group session with her or if you would like to talk to her more privately, I can put you in touch with her.

The foundation helps in so many different ways, from district grants, global grants, ambassadorial scholars, peace scholars and creating peace centers around the world.

It continues its fight against Polio and places a huge emphasis on the seven areas of focus.

Celeste resides in Wakefield, RI and we are so fortunate to have her reside in our district.

PDG and District Foundation Chair Steve Albright present Bill Boyd with his Paul Harris +1 pin as recognition of his dedication to supporting the foundation. Steve explained how Bill, a new member of the club, started supporting the foundation right away.

He then talked about how our contributions have made a difference in our community with the district grants that we have received. Projects like the musical instrument program we are doing this year, the vacation book club which we received a grant the past three years for, the food pantry, Brite Lights, Champ House and many more. In addition, we are now in the process of submitting our third global grant for the work that we do in India.

Congratulations to Bill.

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our club.

Crutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project,

Joe Potzka has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Ask a relative, a friend, a neighbor, a business associate or a co-worker to join us so we all can do more in our community and our world.

Newsletter Fall 2025

Cape Cod Brite Lights is now five years into our purpose of Helping Cape and Island Residents. We started with weekend nutrition for thirty elementary school children. This has grown to over 60 students who are provided with healthy options for weekend nutrition.

Our next outreach was to provide hygiene for high school students. This grew to include both the Dennis Yarmouth High School and Cape Tech High School and again grew to include two of the elementary schools.

A need for shoes for graduating seniors was identified and we were able to assist. This fall, the need for building blocks, whiteboard markers, glue sticks and binders was identified and again, Cape Cod Brite Lights was able to help. Also identified was a need for Kleenex and disinfection wipes, something teachers had been purchasing with their own funds. Cape Cod Brite Lights was again able to help out.

Additionally, we continue to support the Yarmouth Chamber of Commerce and the Yarmouth Police Department with gift cards to local grocery stores. These help those in need who could just use a little boost.

With the holiday season fast approaching, Cape Cod Brite Lights will be assisting the Yarmouth Rotary Club in providing holiday meals for both Thanksgiving and Christmas to families identified by the schools as needing help.

All this would not be possible without the generous support of our donors. With our all-volunteer workers, 100% of your donation goes to help others. We thank you for your continued support as Cape Cod Brite Lights continues to search for ways to help our fellow Cape Codder's.

Thank you

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
