PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 32 No. 16

October 15, 2021

The Main Event

Guest Speaker Joanne Crowley – Chair, Yarmouth Planning Board – The guest speaker today was Joanne Crowley, the Chair of the Yarmouth Planning Board. What does flood insurance, food trucks, tattoo parlors, and brewpubs have in common? The planning board, of course! There are Zoning Bylaws and Zoning Maps, which needed to be updated because there were inconsistencies. The new Zoning Map has been updated to reflect the actual usage in town. With help of the Yarmouth Chamber of Commerce, we are now able to have brew pubs in Yarmouth! Food trucks have also been added in so that they can function in town and provide mobile food services on town property. Interestingly, our beaches have been zoned as residential, which prohibits them from operating. This will make it easier for them to be able to operate in town. Signage has also been addressed to make it easier and streamlined to standardize the sizes, etc. Tattoo parlors must be in the “adult entertainment district”! You may ask, “where is that”? It is basically under the overpass near Higgins Crowell Road. It will allow commercial districts along Route 28 for “Body Art Establishments”.

New Member Induction, Janice Martin – PDG Stephen Albright and sponsor Jimmy Walker, inducted Janice Martin as our newest member. She has participated in many of the club’s activities already and will be an active member of the club. Steve commented, “We also ask you to forget what Tom has told you over the years, because Rotary is totally different!” Jan said, “I am honored to be a member and I know Tom would be proud that I am a member. I am looking forward to participating in all of the activities.” She is looking forward to serving on the golf committee next year and thanked the club for the new opportunity in her life.

Satellite Information Meeting, October 19, 5:30PM at the H&K– Jill Albright reminded the club that the information session is next week. Please invite who you may know that would be a good Rotarian but 7am on, Fridays doesn’t work for them.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Five Avenues of Service

The Five Avenues of Rotary Service form the foundation of Rotary's work, ensuring focus on Service Above Self and that the service efforts are balanced and advance all aspects of the Object of Rotary to encourage and foster the ideal of service as a basis of worthy enterprise.

Club Service – The First Avenue of Service

We are a volunteer organization which requires everyone's help to make the club operate. Everyone gets a chance to pitch in at various times throughout the year. Club Service includes, but not limited to front desk, greeting members and guests, leading the club, in the pledge or 4 way test, helping to set up or tear down the room for the meeting or any of a number of other tasks.

Vocational Service – The Second Avenue of Service

As business leaders and community leaders, Rotarians share their skills and expertise through Vocational Service. Your Vocational Service efforts can play a vital role in improving the quality of life for those hardworking members of the community who need direction and expertise. By participating in several Vocational Service activities like mentoring, career days, vocational awards, business assistance, or even talking about your job at a club meeting – you can turn your experience into an invaluable resource for others.

Community Service – The Third Avenue of Service

Many members focus on Community Service projects. Community Service can be likened to "rolling up your sleeves" to serve our community. Our projects include helping hands, stuff a cruiser food drives, packing and delivering backpacks of weekend food for students, cooking at Champ Homes, labeling and delivering the books our student vacation book club, shopping for gifts or serving meals for our annual holiday Christmas party, working on the gardens that we take care of around town or one of the many more projects we find ourselves involved in.

International Service – The Fourth Avenue of Service

International Service is for the advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service, to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The International Committee of our Club has many projects supporting these goals and invites and encourages member participation in this important work. Our club is currently involved in three schools in India, helping to provide an education for children from low-income neighborhoods. In addition, our projects provide nutritional food, clean water, proper sanitation, and hygiene education for the children. In addition, we help to provide adult education to people who have never had an opportunity to learn. We have participated in peace and conflict resolution discussions and forums and have collected used mobility devices for the Crutches for Africa program.

New Generations Service – The Fifth Avenue of Service

New Generations Service, the newest Avenue of Service, created by the 2010 Council on Legislation of Rotary International recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects and exchange programs that enrich and foster world peace and cultural understanding. Our Club is committed to involving youth and young adults in all of its activities including vocational, community and international service projects. We support our Interact Club at DY Regional High School, the Rotaract Club at CCCC, RYLA by supporting and sending students to this program each year, Youth Exchange by

This program is partially funded by a District Grant from the Rotary Foundation with the remaining balance of funds coming from our club.

Hollie Handrahan accepts a check in the amount of \$1,740 on behalf of Cape Cod Brite Lights from The New England Public Works Association. The Association has a yearly conference on Cape Cod and while here raise funds for a local charity. Thank you to Roby Whitehouse for all the hard work she did to make this conference a success and for nominating Cape Cod Brite Lights for this contribution.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
